DATE OF ISSUE: September 2, 2010
Revised: To be revised in June, 2011 and triennially thereafter

MEMO TO: All staff

FROM: Director of Education

PURPOSE

The Waterloo Catholic District School Board (WCDSB) recognizes that all people are created equal, in the image of God, each with inimitable characteristics deserving of dignity (Genesis: 1:27). In accordance with the Church's teachings, it is the policy of the WCDSB to provide in all its operations an educational environment which supports and enables diversity within its Catholic community.

The WCDSB embraces a vision of Catholic Education which proclaims:

**“Our Catholic Schools: Heart of the community ~
success for each and a place for all.”**

In order to fulfill this vision, the mission of the WCDSB is:

**“As disciples of Christ, we educate and nurture hope in all
learners to realize their potential to transform God's world.”**

The WCDSB recognizes that in embodying such a vision, any form of social or cultural discrimination is incompatible with Catholic moral principles and is in violation of the Ontario Human Rights Code. The WCDSB gives pre-eminence to the tenets of the Catholic faith, congruent with the protection afforded in the Ontario *Human Rights Code*, the *Constitution Act, 1982* and confirmed in the *Canadian Charter of Rights and Freedoms*.

The WCDSB and its staff are committed to the elimination of discrimination as outlined in Ontario's Equity and Inclusive Education Strategy and the Ontario Ministry of Education Policy/Program Memorandum No. 119, in a manner which is consistent with the exercise of the WCDSB's denominational rights under section 93 of the *Constitution Act, 1982* and as recognized at section 19 of the Ontario *Human Rights Code*.

4. INCLUSIVE CURRICULUM AND ASSESSMENT PRACTICES

Preamble:

When we consider inclusive curriculum and assessment practices, we need to consider both the “how” and the “what”. What we bring to students in terms of content is as important as the way it is delivered. We must consider both what is said and what is not said, as it is known that our students learn both the explicit and hidden curricula. Both in its content and methodology, inclusive curriculum seeks to recognize our commitment to Catholic values and to affirm the life experiences of all students, regardless of race and ethnicity, gender, place of origin, religion, cultural and linguistic background, social and economic status, sexual orientation, age, and ability/disability.

Effective evaluation includes researched best practices that truly reflect the current level of achievement of the student. Multiple opportunities for assessment allow for student learning and accuracy of assessment and instruction.

Students must be represented in the curriculum and heard in the assessment and evaluation. Students’ voice is fundamental in the planning for instruction and the accuracy of assessment.

Purpose:

The WCDSB is committed to implementing an inclusive curriculum based on Catholic values and to reviewing resources, instruction, and assessment and evaluation practices in order to identify and address discriminatory biases so that each student may maximize her or his learning potential.

7. PROFESSIONAL LEARNING

Preamble

The Staff of the WCDSB is its most important asset and is the vehicle by which Catholicity and equity are taught in the classroom and throughout the system. The WCDSB, therefore, recognizes the importance of ongoing professional learning to create a foundation for Catholic values, ecclesial and cultural identity, human rights education and effective teaching practices.

Professional learning increases the knowledge and skills that teachers bring to the craft and science of teaching, and, thus, engages the student with increasing complexity and precision teaching. Perpetual professional learning is the groundwork for positive changes in our schools. Professional learning must include knowledge creation and knowledge sharing (Earl and Katz, 2005) to ensure that all voices are represented. We recognize that in addition to the essential knowledge embraced by the Catholic faith, there is a continued quest towards honouring and appreciating the knowledge that exists within the diversity of the community.

Distributed, deep and sustained changes in practice and structures in school are key elements of professional learning and have impact on student learning, engagement and success in a knowledge society (Earl and Katz, 2005). Professional Learning works to engage all learners and strives for student success and includes the following:
