SYSTEM FOCUS STATEMENTS: Through educator collaboration & assessment, OUR STUDENTS WILL...

- Nurturing Our Catholic Community
- Building Capacity to Lead, Learn & Live Authentically
- Student Engagement, Achievement & Innovation

CATHOLIC, COMMUNITY, CULTURE & CARING

...contribute as partners to a safe, healthy, and faith-filled, inclusive classroom, school and community that maximizes engagement, achievement and well-being. (SEF: 3.1, 6.3)

NUMERACY

- Students solve, communicate, and reflect on their thinking by making connections between concepts, procedures, and skills. (SEF: 2.4, 4.1, 4.2, 4.5)

LITERACY

- Language and images to apply critical thinking skills, analyze and challenge texts, express opinion and ideas, and reflect on and connect to other learning. (SEF: 3.1, 4.2, 4.5)

PATHWAYS TO SUCCESS

- Engage as partners in challenging, meaningful learning experiences that are responsive to your voices and individual identities and engage them in education and career planning. (SEF: 4.3, 5.3, 5.4)

KNOW our Learners ↔ RESPOND to their Needs ↔ MONITOR our Progress

OUTCOMES: Increase in student achievement & well-being through triangulated assessment (observations, conversation & products) for/learning in all curricula

CATHOLIC, COMMUNITY, CULTURE & CARING

- Increase level of student-faith-filled experiences in reference to our Three Year Pastoral Plan (as measured by system surveys)
- Increase in resiliency assets as reflected in The Resiliency Initiates data - (e.g. ‘balanced’ and ‘optimal’ categories)
- Through a bias-aware lens, foster culturally responsive & equitable practices & pedagogy

NUMERACY

- Primary & Jr. Grade EQAO: Increase achievement within the NST strand as well as the Application category across all strands
- Grade 9 Applied EQAO: Increase achievement for students approaching, achieving at, or beyond Provincial Standard

LITERACY

- In partnership with students, how can we design learning experiences based on the student strengths and needs of these students at this time?
- How will observations, conversations and products (i.e. triangulation of data) drive the next level of learning in the curriculum?

PATHWAYS TO SUCCESS

- How do we engage students in co-designing culturally authentic relevant learning, learning environments that foster risk-taking & connections, and leveraging digital to accelerate learning?
- How can we integrate the big ideas across other curriculum areas for/and interdisciplinary approach?

OUR CATHOLIC GRADUATES: Nurtured in hope, empowered in a faith-filled learning stance to realize their God-given potential to transform the world

Student Learning Needs:
- Christian values & principles, Catholic Graduate Expectations, Apostles’ Creed, the Beatitudes, & Catholic Social Teachings
- Structure of meaningful worship in liturgies, masses, prayer & other celebrations
- Responsibilities as a member of the Catholic Church: Who is my family? What do I believe? What is my Lenten promise? How might I learn & grow as ‘People of Faith’?
- SchoolClass-wide social-emotional learning
- Whole school & board promotion of positive mental health and well-being (e.g. leveraging a growth mindset)

Student Learning Needs:
- Consistent use of non-routine questions to support flexibility, critical thinking, reasoning, and creativity when solving problems
- Deep understanding of quantity & magnitude, K-12
- Attention to the application & thinking categories in the Junior division
- Effective visualization & flexible number relationships via daily number sense routines to build proficiency with number & operation
- Responsive Differentiated Instructional gr. 6–10 to improve students’ access to curricula, especially those choosing the Applied pathway
- Mindful use of accommodations, technology, and strategies for students with learning disabilities and diverse learning needs
- Inattentional focus on fractional sense within proportional, spatial, & algebraic reasoning
- Connecting mathematics to other disciplines
- Distributed or “spaced” learning based on student learning need determined through assessment to build connections between concepts & pedagogical approaches.

Catholic, Global-Minded Graduates will: Collaborate & Communicate; Think Critically & Problem Solve; Create & Innovate; & Develop Character; Demonstrate Resiliency & Persevere

Student Learning Needs:
- Effective application of general vocabulary and text structure through daily responsive guided instruction and intentional word study to deepen comprehension of complex texts
- Enhanced understanding of complex texts by building on the critical thinking of others through robust student-to-student discourse
- Cohesive topic development, use of supporting details, organization and text conventions through daily responsive guided instruction
- Clear communication through the application of metacognitive strategies to maximize individual growth and group learning
- Improved ability to access and build texts independently through responsive differentiation using precise text selection, accommodations and modifications for students with diverse learning profiles

Student Learning Needs:
- Act upon feedback from teachers & peers to move Learning forward; setting goals for future achievement
- Engage in goal-setting and select appropriate activities/program & pathway choices that reflect their interest, skills & abilities
- Students with IEP’s & ELLs will be aware of & participate in experiential learning opportunities
- Knowledge & understanding of PNNI culture & perspectives
- Develop global competencies by engaging in inquiry-based learning to collaboratively decide the focus & structure of the inquiry
- Use a variety of digital tools to collaborate & to creatively communicate ideas to authentic audiences

Student Learning Needs:
- Increased ability to access and build texts independently through responsive differentiation using precise text selection, accommodations & modifications for students with diverse learning profiles
STRATEGIES AND ACTIONS FOR BUILDING CAPACITY THROUGH COLLABORATIVE LEARNING

Increase student achievement and well-being by focusing professional learning on evidence-based instructional strategies, mindfully using a variety of tools and technologies.

**Superintendents will:**
- Maximize time spent in classrooms and schools for the purpose of collecting, analyzing and responding to evidence of student learning and well-being, and educator practices
- Support the development of instructional leadership by modeling, coaching, and participating in professional learning at all levels (i.e., Collaborative Inquiry Learning (CILs), Professional Learning Communities (PLCs), etc., as well as Principal Learning Teams (PLTs) and Network Learning Communities (NLCs) using evidence-based instructional strategies
- Collaborate with and support schools in the development of their School Improvement Plan for School Achievement (SIPSA) and incorporation of relevant data
- Provide differentiated support to schools (e.g., instructional teacher support, release time and resources, etc.)
- Assist in connecting the SIPSA, School Effectiveness Framework (SEF), to SIPSA
- Promote formal and informal leadership in support of the SIPSA and School Improvement Plan for School Achievement

**Director will:**
- Promote the Board Improvement Plan for Student Achievement (BIPSA) into daily practice
- Build superintendent capacity to use data to inform decisions, engage staff, and develop leadership
- Foster professional collaboration (as per PPM 159) to motivate and enable teams to learn with and from each other; to implement board and provincial initiatives

**Superintendents will:**
- Ongoing reflections that will support efforts to know our learners and monitor student growth:

  - Assist in connecting the SIPSA, School Effectiveness Framework (SEF), to SIPSA
  - Promote formal and informal leadership in support of the SIPSA and School Improvement Plan for School Achievement

**Superintendents will:**
- Ongoing evidence of the impact of collaborative professional learning:
  - How have our participation in collaborative teaching and learning changed our teaching practice?
  - How did we document and measure educator learning?

**Superintendents will:**
- How will we mobilize our successful evidence-based strategies?
- What additional student and educator learning needs remain?

**Support Staff will:**
- Collaborate to assist and participate in the implementation of effective strategies that will support learning for all students
- Collaborate to support job-embedded professional learning of evidence-based instructional strategies
- Respond to system learning needs in a strategic and timely fashion

**Support Staff will:**
- Engage in the professional learning cycle through co-planning, co-teaching and co-debriefing/reflecting within school improvement collaborative learning
- Focus on the consolidation of key concepts to support students in becoming independent & flexible thinkers.
- Engage parents/caregivers in supporting educational priorities
- Respond to system learning needs in a strategic and timely fashion

**Administrators will:**
- Collect, analyze and respond to evidence of student learning and well-being, and educator practices
- Support the development of instructional leadership by modeling, coaching, and taking an active role in school-based professional learning (i.e., Collaborative Inquiry Learning (CILs) and Professional Learning Communities (PLCs), etc., as well as Principal Learning Teams (PLTs) and Network Learning Communities (NLCs) using evidence-based instructional strategies
- Develop and implement learning cycles based on school and student data/ evidence
- Bring current evidence to each network learning session to demonstrate progress made within the inquiry process
- Participate in and provide opportunities for co-planning, co-teaching and co-debriefing/reflecting amongst staff
- Promote formal and informal leadership within the school to support professional learning

**Educators will:**
- Create an engaging & safe learning environment based on high expectations through the intentional use of the following classroom components: worthwhile tasks, classroom discourse, non-threatening classroom environments, & tools and representations
- Incorporate Ontario Catholic school Graduate Expectations as well as Principal Learning Teams (PLTs) and Network Learning Communities (NLCs) using evidence-based instructional strategies
- Maximize time spent in classrooms and schools for the purpose of collecting, analyzing and responding to evidence of student learning and well-being, and educator practices
- Support the development of instructional leadership by modeling, coaching, and participating in professional learning at all levels (i.e., Collaborative Inquiry Learning (CILs), Professional Learning Communities (PLCs), etc., as well as Principal Learning Teams (PLTs) and Network Learning Communities (NLCs) using evidence-based instructional strategies
- Participate in PLCs using student data & collaborative inquiry to monitor progress, deepen professional knowledge; understand & use digital technologies, to gather and analyze timely assessment information about student learning in line with evidence-based instructional practices & tiered interventions

**Educators will:**
- Triangulate leading student achievement data to establish responsive instructional goals, & plan & monitor professional learning needs
- Engage in the professional learning cycle through co-planning, co-teaching and co-debriefing/reflecting within school improvement collaborative learning
- Focus on the consolidation of key concepts to support students in becoming independent & flexible thinkers.
- Engage parents/caregivers in supporting educational priorities

**Support Staff will:**
- Participate in PLCs using student data & collaborative inquiry to monitor progress, deepen professional knowledge; understand & use digital technologies, to gather and analyze timely assessment information about student learning in line with evidence-based instructional practices & tiered interventions
- Promote formal and informal leadership within the school to support professional learning
- Ensure that learning communities (e.g., PLCs, CILs, NLCs, and Family of Schools) are in place and evidence of progress is maintained
- Purposefully embed the strategies identified in the Pastoral Plan
- Engage parents/caregivers in supporting educational priorities

**Teachers will:**
- What will we do next as a result of our learning and reflections?
- How does our new learning inform our MYPSP priorities?
- How will we mobilize our successful evidence-based strategies?
- What additional student and educator learning needs remain?

**MONITORING LEARNING**

Professional learning cycles will include reflection and assessment of educator learning and student learning through the BIPSA monitoring questions.

**MONITORING OUR STUDENTS’ LEARNING**

Ongoing reflections that will support efforts to know our learners and monitor student growth:
- Where did our students begin? How did we document and measure student learning?
- How have our changed instructional and/or assessment practices show impact through the number of students achieving at or beyond the provincial standard?
- How do we know that all students have shown growth?

**MONITORING OUR PROFESSIONAL LEARNING**

Ongoing evidence of the impact of collaborative professional learning:
- How did we document and measure educator learning?
- How has our participation in collaborative teaching and learning changed our teaching practice?

**NEXT STEPS:**

- What will we do next as a result of our learning and reflections?
- How does our new learning inform our MYPSP priorities?
- How will we mobilize our successful evidence-based strategies?
- What additional student and educator learning needs remain?
