4. Delegations/Presentations

4.1 Alba Ruiz – declined her delegation

4.2 Connie Snofl
Connie requested the St. Paul/St. Mark boundaries remain as they are currently and not be changed. She
doesn’t feel the enrolment needs to be balanced between St. Mark and St. Paul. Families will be driving their
children which is not environmentally friendly. Families may choose to send their children to the closer public
school. Also daycare was arranged knowing it was within the boundary which will change as boundaries change.
She is hoping they will consider waiting for a long term solution.

4.3 Paul Laurie – joint presentation with another delegate.

4.4 Leonard Fortier
Leonard has a daughter with special needs that would not be accommodated currently at St. John’s. It will need
upgrades to provide accessibility. Feels unless St. John’s is fully accessible Monsignor Gleason should not be
closed.

4.5 Sarah Banic
Sarah a student currently enrolled at Monsignor Gleason presented reasons to keep Monsignor Gleason open –
playground, good teachers, friendships developed and accessibility for students with special needs i.e. braces.

4.6 Jennifer Shousterman (for Roger Suffling)
Jennifer presented on behalf of Roger Suffling who was not able to attend the meeting. Second submission in
response to questions on enrolment and innovative use of school buildings asked by trustees at May 25th
meeting. The presentation cited the Ontario Governments’ Planning and Possibilities: The Report of the Declining
Enrolment Working Group which urges innovative and cooperative educational initiatives by school boards facing
 closure issue.

4.7 Denis Beaulieu
Denis combined his presentation with Paul Laurie, who was not able to attend, in support of keeping Monsignor
Gleason open. Residents in the neighbourhood signed letters of support to keep Monsignor Gleason open.
Enrolment at St. John’s is less than half capacity while Monsignor Gleason is just slightly below capacity. Cited
the seven newest schools are currently over capacity and feels the capacity may not be set accurately and are
over utilized. Feels the demographics are changing and projected enrolment may not be accurate.

partnerships currently utilizing our schools.

The director presented different methods of breaking out the budget into separate motions and explained all portions that may have a potential conflict of interest are put into one motion. It is not the role of staff to tell trustees they have a conflict of interest but up to the trustee to self declare.
