## Money Saving Ideas 2013-2014 Budget Survey

Question:

The Board is always looking for ways to become more efficient. Please provide your top two suggestions to help the board save money.

Answered Questions 364 Skipped Question *502* 

Response Date	Comment
Mar 4, 2013 8:41 PM	less consultants
Mar 4, 2013 8:41 PM	shared bussing with public board
	Ease up on the hiring of senior management.
	closely examine necessity of conventions and conferences
	cut senior management positions
Mar 4, 2013 8:45 PM	Set computers and other high energy use electrontics to shut down at 6 pm each day.
	strongly encourage "reduce, recycle, reuse"
	provide workbooks to students, so teachers do not need to photocopy
Mar 4, 2013 8:45 PM	coordinate with public board as much as possible
	do not duplicate resources
Mar 4, 2013 8:45 PM	Build or fix facilities correctly the first time (using quality materials), so repairs do not need to be done later
	question principal/administrator decisions to use school funds for more than the required cosmetic changes to a
Mar 4, 2013 8:46 PM	
	reduce duplication of printed materials
	Spend on IT to reduce photocopies over time; for example, Bright link clickers in every program area
	Cut back on the operating bureaucracy.
	purchase programs that require less consumables more hands on reusable resources
Mar 4, 2013 8:46 PM	Decrease staffing at the board level
	What should the ratio be for Board level staffing? If teachers are being cut back, so should support staff at the Board
	unnecessary tech upgrades for administrators (e.g. new cell phones)
	Shut off all computers at end of school day
	Having all curtains closed in classrooms at end of day
	Less photocopies submitted to teachers during PD's
	allow staff and students to use drops with their own laptops
	Don't buy iPads or expensive Apple products
	reduce the number of management positions
	assure that the people in management positions are adequately qualified and trained for those roles
	Fewer superintendents
	More 10 month employees at Board Office
Mar 4, 2013 8:51 PM	
	double-sided copying set as default on all printers
Mar 4, 2013 8:52 PM	less administration/high paid salaries
	Ask the employee who make over the \$100k to take a day off without pay, the same as the employees who are paid
Mar 4, 2013 8:53 PM	
	Look at making cuts at the Board Office level.
	Do we really need all of those Superintendents at our Board?
	Reduce use of school facilities after hours. Increased use = increased maintenance & energy costs!
	Increase facility rental costs to offset the real costs of providing access to board-owned buildings by outside groups
Mar 4, 2013 8:57 PM	
	Reducing the number of Superintendents
Mar 4, 2013 8:57 PM	
Mar 4, 2013 8:58 PM	Reduce heating costs by turning down thermostat.  Get rid of light sensors - doesn't teach anyone to turn off lights, causes more maitenance costs due to pre-mature
Mar 4, 2013 8:58 PM	
	Information on all energy costs be presented to all schools.
	Keep encouraging energy conservation on lighting.
	1 0 0 0
	Awareness of where funding goes to-how it is spent.  Local workshops/PD vs out of town (mileage, hotels, meals, supply coverage, etc)
IVIAI 4, 2013 6.36 PM	Standardize equipment - material needs to be specified because some things put in by outside contractor are out or
Mar 4 2013 8:59 DM	date or to expensive to maintain.
Mar 4, 2013 8:58 PM	
	fewer math and litercy teachers.
	Less staff at administrative high paying positions
	revisit current model of Special Education services - more of a high school model
	have printers automatically print on two sides of the paper
IVIGI 4, 2013 3.03 PM	prove printers automatically print on two sides of the paper

	Have small school sporting girls/boys tournaments on the same day so we can farm students out and not have to
Mar 4, 2013 9:03 PM	have to hire so many supply teachers.
Mar 4, 2013 9:05 PM	less spent on research based initiatives / more \$ on E.A support
Mar 4, 2013 9:05 PM	reduce staff by leveraging parent volunteers
	tie principal and leadership salary to economic and educational success
	reduce the amount of paperwork required from administration
	No food budget for board meetings
	No overnight retreats for principals
Mar 4, 2013 9:16 PM	Student Parking Fees
Mar 4, 2013 9:16 PM	Stop subsidizing groups to use our facilities.
	pay primary itinerant planning time teachers less money or expect more of them (e.g., duties) Teaching DPA and
Mar 4 2013 9:16 PM	health is less demanding. There are teachers who would happyily take this job even at less money.
	Increase Bussing Boundaries
Wai 4, 2013 9.10 FW	increase bussing boundaries
Mar 4, 2013 9:19 PM	stop installing automaic off switches and put magnets around the wall plates that say "Last out?? Turn out the lights
	allow teachers to ask parents for products such as binders if that is what the teacher wants - a binder is not a
Mar 4, 2013 9:19 PM	financial hardship for most families
	cut down use of paper
	fsl 4x per week, itinerant stays 2x per week in same school will cut transportation costs reimbursements
	Reduce resource spending on materials, increase student support in special education
	Cut back on travel expenses by having part time teachers only travel to different schools within a 10 km. radius.
	Cut back on supply teaching staff by having teachers meetings before or after school or pd days.
	Inclement weather days be unpaid
Mar 4, 2013 9:30 PM	staff swipe in and out for hours worked
Mar 4, 2013 9:33 PM	Do not mail us our pay stubs over the summer, that will save on postage!
Mar 4, 2013 9:33 PM	enforce that outside contractual duties (e.g., snow removal) are being completed
	cancel the itinerant planning time
	More wifi hubs open to students- lowers # of computers required
	More preventative maintenance for sites
	raise salaries slightly for non union(prevent turnover)
	Many lights should be turned off in area in schools that are not being used. Classrooms have windows with lots of
Mar 4, 2013 9:38 PM	nature light coming in.
	Their is too much waste of paper on the printer that a special code needs to be given to people when they want to
	print. Students print all the time and they are not aware that they are doing this. The cartridge is so expensive that
	we must look at this as a big problem in schools. People need to make one copy from the printer and then go to a
Mar 4 2013 9:38 PM	photo copier to do the multiply copies that they need for their class.
	give people decision making power - there are too many people involved in every decision
	if people aren't doing their job then get rid of them
	practice/collaboration instead of theory based P.D.
	close more small schools
	cut some trustee positions
Mar 4, 2013 9:46 PM	Hire secretaries instead of teachers to work in the board office.
Mar 4, 2013 9:57 PM	Reduce board office spending
Mar 4, 2013 9:59 PM	cutting costs at the Board Office Level
Mar 4, 2013 9:59 PM	fewer supervisory officers
	Stop with all the board "initiatives"
	Reduce senior management
Mar 4, 2013 10:05 PM	
	reduce amount of paperwork required - i.e. posting success criteria for everything
IVIAI 4, 2013 10:09 PM	reduce the number of new initiatives
	exposure to and training on online programs (e.g., Kidblog) helps reduce use of paper in my class and student work
Mar 4, 2013 10:15 PM	can be accessed electronically 24-7
	As support staff, let me choose which pd days I must attend. Exam days and some pd days have not been used
Mar 4, 2013 10:26 PM	
Mar 4, 2013 10:26 PM	Lay off support staff during exam days or turn over days.
Mar 4, 2013 10:28 PM	get rid of EAP
Mar 4, 2013 10:28 PM	
	Eliminate EASP positions
	waste and rain water management
	photocopy limits set by a standard
mar 4, 2013 10:38 PM	Re-think how we spend our PD day's. ie working with colleagues rather than presenters.
	No more can be taken from the kids. Cutting operational costs should be the focus, with no effect on students. ie d
	we really need the expensive camera focused on the front door. ie. In Sandy Hook the front door was not the acces
Mar 4, 2013 10:40 PM	point to the intruder.
	how much was spent on Smartboards?
Mar 4, 2013 10:40 PM	
Mar 4, 2013 10:40 PM	A closer look at how principals decide to spend money on "extras" such as gifts, flowers, school decorations
	A closer look at how principals decide to spend money on "extras" such as gifts, flowers, school decorations, furniture, food etc.

	•
	3rd party out extended day program where child care already exists
Mar 5, 2013 1:14 PM	Spend money intelligently - lowest bidder is not always cheapest option in the long run - (Brightlinks)
Mar 5, 2013 1:17 PM	Cut from the top, not from the bottom.
Mar 5, 2013 1:17 PM	reduce hours of hourly paid employees so they are here when the students are only
	reduce special transportation costs (e.g.) taxis from the country as parents are willing to drive their kids to school!
	Instead of mailing out Job Opportunities in Summer - post on website
	Pay CUPE year round like teachers- less paperwork for Board and saves Government paying El
	Stop the paper paystubs and T4. We can receive them on line through Ceridan. Let's become more paperless
Mar 5, 2013 1:22 PM	eliminate half day PD and replace with full day PD - save on busses maybe?
	All employees \$100K and over, should take one unpaid day of leave on a professional activity day in 2013/14 as the
	rest of the employees
Mar 5, 2013 1:23 PM	Explore the possibilty of merging with the public board
Mar 5, 2013 1:28 PM	making schools more energy-friendly / composting / sun panels / wind energy
Mar 5, 2013 1:28 PM	less paper, more computers in the rooms
	install personal counters on all school printers
	allow elementary students to bring own printer paper
	reduce administrative meetings
	decrease paper/printing use by staff
	students/parents need to provide student supplies all year
	aircondition schools to 25 degrees during spring/summer
	invest in on-line textbooks if available
	reduce bus transportation by increasing walking distance for older students
	1 week shut-down at Christmas and in summer
Mar 5, 2013 1:50 PM	360 feedback on department efficiency and improvements
	The heating/cooling costs. Often when I am at a school, it is so cold in the summer that I have to bring a sweater. Is
Mar 5, 2013 1:51 PM	there a way that the schools can set the temperature?
	Scheduled school improvements - not on whim of current admin
	continue energy saving initiatives
1410, 2010 1.041 141	report cards handed out to the community by secretaries who are alreeady working in the summer not by mailing or
Mar E 2012 1:E4 DM	paying another secretary to come in
	reduce non-classroom spending
	reduce use of paper, even with the emailing of newsletters, etc, notices still come home
	better screen workshops for value
	encourage fundraisers
Mar 5, 2013 2:10 PM	Get Rid of People at the Board level- make this a priority
Mar 5, 2013 2:10 PM	Never Pay a Board Employee Higher than the highest paid teacher/ including any bonus
Mar 5, 2013 2:16 PM	paperCentral photocopying of packages for students
Mar 5, 2013 2:16 PM	paperlimiting overuse from some teachers
Mar 5, 2013 2:18 PM	
	Less Off site pd including all management
	Reduce supply teacher costs by reducing teacher release time for conferences, training etc.
	Reduce conference costs for superintendants, managers, principals
	Stop providing food at meetings-not necessary!
	Stop providing food at meetings-not necessary!
·	more training about how to safe
	cut some supervisers positions
	Apply greater restrictions and limits on the use of paper and photocopying in schools
	Increased use of technology vs. paper consumption ) e.g. electronic submissions to teachers
	Schedule collaborative meetings after hours or through technology such as powerpoint presentations and webcasts
Mar 5, 2013 2:32 PM	Increased use of e conferencing vs. travel (e.g. Skype)
Mar 5, 2013 2:35 PM	Less principal meeting. They don't have time to share or implement what they learn
	cut back on number of teacher sick days, can't be banked any more. Income should cover short term illness
	Stop paying for blackberries for admin
Mar 5, 2013 2:39 PM	1170
	PD needs to be offered after school
	Too many workshops
·	pay the secretaries year round instead of making out separation papers 3 times a year
IVIdI 5, 2013 2:43 PM	support schools organic recycling (green bin); will result in less waste
M. F 0040 0 40 511	change the EASP so less man power and evidence gathering by the board is needed - especially with less sick day:
Mar 5, 2013 2:43 PM	
	Centrally set temperature controls - heat
	Switched receptacles - to cut down on 'phantom power'
Mar 5, 2013 2:55 PM	Use of electronic media - less paper
	More current updates for our website
	go to the public board model of nutrition breaks and cut costs of lunch hour supervision
	Sell any additional land the school board currently owns.
	Get rid of Healthy Choices and allow school run cafeterias to sell a wider variety of food; increasing revenue.
	alterative ways to attend meetings, i.e.teleconferencing
	1

Mar 5, 2013 3:02 PM	provide some funding to allow evaluation of program efficacy
Mar 5, 2013 3:02 PM	eliminate Autism Pro-costs way too much for how much it is used
	organizational restructuring of departments/services
	Social workers instead of guidance cousellors and chaplains. TRAINED people.
	Board attendance program not needed we only have 10 sick days!
	installing High efficiency units, or solar energy
	report card summary sheets are unnecessary
	assembly/literagury seating plans and schedules should be emailed only
Mar 5, 2013 3:26 PM	
Mar 5, 2013 3:26 PM	buying less individual printers and doc stations
	Admit motion sensor lighting was a mistake in most buildings. Ballasts are wearing out too fast and if someone
Mar 5, 2013 3:33 PM	passes through an area the lighting should not stay on for 20 minutes after.
,	Fix it right the first time. Far too much money is wasted repeatedly on repairs, only to spend money to fix the proble
Mar 5 2013 3:33 PM	in a different manner.
	Move to an extended day 4-day week and combine superintendent portfolio to reduce number of high-earning admir
Mar 5, 2013 3:38 PM	
	Reduce number of literarcy and math networking sessions that demand a high number of supply staff
	have principals spend more time in their schools rather than on out of town trips (mental health thing in London)
Mar 5, 2013 3:44 PM	Remove admin blackberry's and have them use their own devices.
Mar 5, 2013 3:49 PM	Create a wireless network, eliminate labs
	Stop purchasing stand alone computers for the labs. Purchase laptops
	new schools being built should have skylights and solar panels as part of the structure.
	listen to staff who suggest ways to cut costs ie., why do schools pay more for UHU 40g glue sticks than walking into
Mar 5, 2013 3:52 PM	
Widi 5, 2015 5.52 FW	
Marie 0040 0 50 DM	allow staff to purchase supplies elsewhere when cheaper ie., crayola crayons \$.50 for 24 at Walmart or Staples as
	opposed to \$1.24 from our supplier
	cut heating /cooling/ lighting costs by adjusting temp and automating
	Use less utilities where/when possible.
Mar 5, 2013 3:58 PM	Less photocopying costs.
Mar 5, 2013 3:58 PM	Increase technology decrease printed material
	Remove redundant positions at the board level
	employ more lunch hour supervisors so that support staff are not taken out of the classroom to do general
Mar 5, 2013 4:02 PM	
	employ E.A.'s whenever possible vs. CYCW's.
	Amalgamate with public board
	Reduce trip paper work
Mar 5, 2013 4:14 PM	less pd for administrators (too much time away from school)
Mar 5, 2013 4:14 PM	effective pd for teachers
	Fix the Don Bosco modelteacher/pupil ratio is too low. If the students are that much of a risk - then they need help
	beyond the classroom and text related studies. they need math, english and emloyability skills. The old "Storefront"
	model needs to be revised. Students in day school need that too. Teach them to be employable
	Reduce staff at the board levelEAP program
	feel we are mid management heavy at board level - reduce
	cut/reduce superintendents (too much top down spending)
	ensure unneccessary lighting and electronics are shut down at the wnd of the day
	do the necesaary repairs to reduce the cold an dhot air getting into the building
·	stop funding PD trips to locations outside our local geographic region by administration at the board and school
	eliminate top positions ie superintendents, SERTS, consultants
Mar 5, 2013 4:45 PM	reduce paper use by encouraging tablet or personal computers.
Mar 5, 2013 4:45 PM	offer the possibility of non punitive unpaid leave for teachers
•	There are too many consultants
	instead of closing a school and doing extensive recovations to a nearby school to move students there leave school
	open until new one is built
	weather stripping all door in the schools
	make sure auto lights work
	put teachers at schools that are closer together
Mar 5, 2013 5:23 PM	
	change full day kindergarten-number/student ratio for ECE should be 19-20 students
	Utilize community partnership example: CNIB digital library for all students with print disabilities
Mar 5, 2013 5:30 PM	decrease top earner positions-consultants, superintendents, etc.
	Fewer S.O.s (too many)
·	reduce amount of travel time required for pt teachers.
	useful meetings and workshops when supply coverage is required
·	0 1 117 0 1
·	lessen number of personnel at supervisory positions
	Lessen number of people at board office
	Reduce the waste of resources making Departments accountable
	9 1
Mar 5, 2013 5:55 PM	Keep the high earners' salaries under check
Mar 5, 2013 5:55 PM	9 1

Mar 5, 2013 5:59 PM	Package out the senior teachers and hire young teachers 2 for 1
Mar 5, 2013 6:01 PM	Re-evaluate the inclusion program - offer segregation and inclusion
Mar 5, 2013 6:01 PM	Get rid of the top heavy brass at the top
	Use more support staff at a greater cost savings
	re-evaluate double planning time covered by additional teaching staff
	Evaluate current staffing and consolidate positions when possible.
	Do we actually need all the "out of the classroom" literacy support? Wouldn't it be beneficial that the support goes
Mar 5, 2013 6:13 PM	
	Get consultants to check with library techs and librarians before buying sets of books - some schools already have
Mar 5, 2013 6:22 PM	them and some have specific needs.
Mar 5, 2013 6:22 PM	sharing transportation
Mar 5, 2013 6:40 PM	re-work inclusion
Mar 5, 2013 6:40 PM	too much management, not enough support staff
Mar 5, 2013 6:46 PM	less bureaucracy - fewer superintendents
Mar 5, 2013 6:55 PM	No overnight/away conferences for upper management
	Continue to reduce paper and ink costs whenever possible.
	Educate board blackberry users on what their usage costs. Giving them a regular "account" helps them be the
	informed and stewardly professionals that they wish to be.
	Itinerant planning time teachers-review schedules/travel times
	busing-same start times for sharing of buses
	each department should be responsible for efficiency initiatives each year
	integrated HR, payroll and accounting software
	cut board consultants
Mar 5, 2013 7:15 PM	make march break two weeks one week unpaid
	Make more things virtual - less paper
	make students accountable for lost/replaced items ie. pencils, books, other supplies that were made available to the
	students but original was lost/broke
	-spend less on pd and workshops and put it toward quality curriculum lessons for teachers
	turn off lights when not in the classrooms
	encourage use of less paper - printing and photocopying
	Plan Principal Retreats in a school gym instead of offsite
	Postpone non-essential capital projects such as mural painting in schools
	Have people turn off lights and not just wait for timers.
	Supervise day custodians to ensure schools are being cleaned during the day.
	before admin or consultants purchase resources check to see if they are already in the schools
Mar 5, 2013 8:02 PM	fewer PD and spiritual days that board pays for
Mar E 2012 9:02 DM	Take it from the top instead of a buck or two here and there from the bottom. Imagine how much we could save if we
	eliminated a position or two from the top!!  Better scheduling of shippment to schools instead of hiring a couier when we have our own because of poor
Mar 5, 2013 8:14 PM	
Mar 5 2013 8:14 PM	Better use of our supplies and furniture
IVIAI 3, 2013 8.14 FIVI	Teachers should be expected to learn on their own time, as is normal with many occupations (eg programming).
Mar 5 2013 8:10 DM	Teachers should be expected to learn on their own time, as is normal with many occupations (eg programming).  Teachers that let their skill stagnate should be let go.
	Baseline performance measures should be established for teachers and made public. Teachers that don't make the
	baseline performance should be reprimanded. Continual performance issues should result in termination. (saves
	money by hiring new teachers with lower wages and a greater desire to achieve).
	Utilize the schools for spirtual days. Less off site events.
	reduce people being sent to conferences
	discourage out of town over night excursions for board staff
	decrease courier - have staff create pdf's at copier
	cut payroll dept since use SmartFind
	More Fundraising Events
	Cap teachers ' salaries
	In school: way too hot in winter and automatic lights don't always work. Some lights stay on all weekend.
	Too many mandatory workshops, supply teacher costs must be crazy on these days.
	Ask parents to cover some or all of supplies needed by their children at the elementary level
	Ask parents to pay a fee for service regarding bus service to and from school (eg;1\$ per trip) to offset some
Mar 5, 2013 9:55 PM	
	Reduce Board Office Staff
	ISA Computers in Spec Ed rooms so they can be shared
Mar 5, 2013 10:25 PM	No more teacher or principal retreats
	Managing contractual agreements effectively and refraining from granting additional benefits or paid leaves that are
	not contractually required.
Mar 5, 2013 10:37 PM	Managing staff effectively with jobs being done efficiently
Mar 5, 2013 11:17 PM	Digitalizing to decrease paper supplies and waste and decrease redundancy.
·	reuse equipment/resources from closed schools
	review contractors to ensure quality work the first time
	Become more eco-friendly. All newsletters and updates should be sent online

	Solar Panals on school roofs and sites.
Mar 6, 2013 1:15 AM	Wind Generators on school roofs and sites.
	I feel that more sports events should be held after school. this will help reduce the cost of covering teachers who ar
Mar 6, 2013 1:40 AM	supervising students.
	Examine new heating and cooling systems in schools that seem to be miswiredfor example, St. Nick's new additio
	has a heating and cooling system that is either way to hot or way too cold. Sort out the problem so the cold classes
Mar 6, 2013 2:01 AM	aren't cranking heat to get no result except provide excessive heat to a nearby classroom.
	Less forced PD for teachers, and more flexibility for teachers to choose their own PD opportunities (money is spent
	on PD that is not benefitting teachers or students)
Mar 6, 2013 2:16 AM	Less money spent on administration and a decrease in the number and salary of superintendents
	Reduce the number of jobs at the board office. I realize that shifting people from the board office back into the
	classroom will potentially shift existing teachers but the short term pain will result in a long term gain.
	decrease newsletters from the school by sending e-notices through e-mail addresses
·	Eliminate repetitive pd
	Travel time for itinerant teachers
	less photocopying- more textbooks
	re-using teaching materials e.g. laminating
	do not mail out paystubs in summer - sent electronically
	better utilize the resources we do have
	open more volunteer work for seniors after retirement
Mar 6, 2013 2:57 AM	open a class for agriculture & cultivating around the school from 610 gread
	Stop allowing secondary school student athletes to come back for extra semesters just to finish a sports season. Th
Mar 6, 2013 3:37 AM	is totally unfair to other schools with extremely low funding (ie. St. Louis).
	Also, stop hiring retired teachers to LTOs where a younger teacher is perfectly qualified, available for work, and will
Mar 6, 2013 3:37 AM	cost far less to hire. Maybe they have less experience, but everyone has to start somewhere.
	Cut garbage disposal costs by recycling more, it's a shame that our secondary schools do not recycle properly or at
Mar 6, 2013 5:50 AM	
	Charge students for lost text books, budgets for departments are tight yet they have NO recourse to recover lost tex
	books which on average about 80-95 dollars - thousands of dollars go missing each semester.
Mar 6, 2013 11:24 AM	
Mar 6, 2013 11:24 AM	less busing and have students walk that live in a 1KM area
14 0 0040 4 00 014	Have an 'in house' conference to reach more people - Bring conference presenters to our Board rather than sending
	multiple people out (especially when it is the same people over and over)
	IChanana tha annandam, muanunana hanni atu, atu, un ta inali, da nanian and nainan handa Cut tha anniatant handahina
	Change the secondary program head structure to include major and minor heads.Cut the assistant headships.

Mar 6, 2013 6:47 PM	Move to an Office Space that has parking space and stop giving out parking vochers.
	Don't buy Brightlinks. Easiteach software is not worthwhile. A regular projector would have been cheaper and
Mar 6, 2013 6:51 PM	provided the same opportunties.
Mar 6, 2013 6:51 PM	Brightlinks do not work for people who are lefthanded as they interfere with the light when using the pen
	no paper printout for paychecks - send them digitally
-	reduce the number of personnel hired to bully teachers in the EASP
	reduce the number of board office employees
	Maintain JK/SK classes at 20 studentsno ECE
·	Seem to be a lot of administrators at the board level with large salaries
	Meetings for principals due to the fact the info never gets related back to schools due to time
	Less jobs at the board office, more special education jobs to support teachers
	Use energy efficient lightbulbs
Mar 6, 2013 7:39 PM	Have students do some janitorial duties such as cleaning classrooms, cafeteria and grounds
Mar 6, 2013 7:43 PM	make shorther lunch breaks (send students home earlier
	we should constantly be reviewing how we do programs and how we can do better. also the lowest tender shouldno
Mar 6, 2013 8:18 PM	be the one we pick. sometimes we have to spend more to get a abng for our buck
	do we need all the administration staff. i have looked around the world and most boards ahve fewer superintendents
Mar 6, 2013 8:18 PM	and the like.to get the job done.
Mar 6, 2013 9:01 PM	Travel time alloted for planning time teachers
	reduce number of supervisory officers
	administration is top heavy - look at cuts there
	Amalgamate with the public board
	Less meetings which include a meal or a night in a hotel.
	Pause ministry initiatives
	stop upgrading to newer electronic gadgets there was nothing wrong with learning the old pen and paper way.
	Have professional development completed in the Summer Break and not throughout school year.
11101 7, 2010 12:407411	Cut/Freeze salaries and personnel at Board Office. Cuts are mostly in classrooms and not as common in Board
Mar 7, 2013 12:48 AM	
	ensure all teachers use class note for notes or assignments for those students who have internet and a computer
Mor 7, 2013 12:49 AM	no more paper newsletters from individual schools which should be available the FIRST of the month
	PA days same as public board so transportation costs are eliminated on the PA days
	Job sharing - 2.5 days a week?
Mar 7, 2013 12:57 AM	Reduce the penalty for early retirement before the 85 factor.
Mari 7, 0042 4-04 DM	Give a teacher a 1/2 day PD day so that they in turn can apply for grants that would bring back thousands of dollars
Mar 7, 2013 1:04 PM	into the system to support the arts.
	Teacher PD should not be during school times. Principal meetings/conferences should be after school to allow then
	to be in the schools whene they are needed
	Decrease upper management positions.
Mar 7, 2013 3:43 PM	regular review of all programs not funded by gov't grants
	reduce costs for inservices that require supply staff by using digital technologies to deliver workshops, etc. wherever
Mar 7, 2013 4:17 PM	possible
	re-use or REPAIR furniture - for equipping new schools
	Have students more actively involved in the cleaning and maintaining of the schools
Mar 7, 2013 5:48 PM	Don't waste it at the board level
Mar 7, 2013 5:48 PM	Cut down on # of superintendents and other useless positions at board level
Mar 7, 2013 6:12 PM	Turn off/ unplug/ powerbars with all of the computers, micro waves, ovens etc during off school times
Mar 7, 2013 6:12 PM	Invest in energy efficient lights and fix the over heating in schoolsSt Teresa K.
Mar 7, 2013 6:42 PM	repairing older facilities with new windows will help cost
	business process improvement initiative - sometimes the way we do things is more a matter of habit and not always
Mar 7, 2013 6:43 PM	the most efficient or effective way and some steps may be removed that are no longer relevant
	ask for parents with expertise or professional knowledge to serve as guest speakers/presenters in school
	workshop/session rather than paying for outside experts to lead discussions. I am a firm believer that sometimes
Mar 7, 2013 6:43 PM	people just need to be asked - so ask! We have a treasure trove of experts within our ratepayers - reach out!
	reduce # of EAs that accompany students into reg classrooms
	is a certified teacher really required to teach high need students perhaps just a person with specilaized training in th
Mar 7, 2013 6:46 PM	area and paid at a lower level
	travelling itinerant teachers
	granting longer LOA for staff, while replacing them with less expensive staff
	consistency across schools in regards to air conditioning units; therefore less of a need to use fans in every room
	allow teachers to teach my kid, grass roots empowerment
·	follow Hudak and eliminate middle management
	ask for parents to make donations of new books to the school library (provide a list of needs)
	ask for donations of craft supplies (before it is time to buy new supplies through the teacher tender order
·	
Mar 8, 2013 12:43 AM	Improve the French classes
Mar 8, 2013 12:43 AM Mar 8, 2013 12:59 AM	Improve the French classes Combining administrative, transportation (if not already), facilities, etc where it makes sense with public schools.
Mar 8, 2013 12:43 AM Mar 8, 2013 12:59 AM Mar 8, 2013 12:59 AM	Improve the French classes  Combining administrative, transportation (if not already), facilities, etc where it makes sense with public schools.  More fun fundraising - dances, sports tournaments, school bazaars, baking, etc.
Mar 8, 2013 12:43 AM Mar 8, 2013 12:59 AM Mar 8, 2013 12:59 AM Mar 8, 2013 1:48 AM	Improve the French classes Combining administrative, transportation (if not already), facilities, etc where it makes sense with public schools.

M - 0 0040 40 00 DM	
	flatten pay scale;ie. increases paid in \$value.,not %
	hire beginning teachers, not contract retirees
	Do not rehire retired teachers. Employ fresh new graduates.
	purchase tablets instead of desktop computers & monitors invest in computer technology which in the long run will reduce costs of texts and paper
	encourage staff to report gaps that allow heat/cooling to escape
	issue tax receipts to staff who purchase materials for their classrooms
Mar 8, 2013 6:11 PM	
Mar 8, 2013 6:11 PM	
	I have only heard about young teachers being declared redundent. I never here about any cuts at the board office.
	Hire more new teachers to reduce salary expenditures
·	plan new school construction to include green natural light and recycled water purification systems
	increase competitive bidding on high dollar spend items (ie/ furniture and equipment, computer equipment, security
	equipment, fitness and sports equipment)
	Merit-based pay increases for staff and teachers rather than automatic increases based on seniority
	Looking objectively at staff & teacher benefits and reducing these where they are much too high (over 10%) in
	relation to comparable private sector positions
	Cut down on air conditioning.
	Don;t waste money on little things like elastics and wristbands
Mar 8, 2013 10:56 PM	Ensure lighting is off at a certain time of day
Mar 8, 2013 11:12 PM	More electronic learning vs buying paper based
	Look at busing routes and costs
	Need to examine special education model
Mar 8, 2013 11:19 PM	less photocopying when showing seating plans for school liturgies, etc
	You likely already do this but program heating and cooling systems to allow slightly more extreme temperatures
Mar 9, 2013 5:09 PM	
	Encourage all staff to only keep half of their classroom lights on at a time
Mar 9, 2013 8:29 PM	Print off less information pamphlets - just send in an email
14 . 0 .0040 0 .00 .014	The Board has expanded it's managerial and support staff in the last 10 years expedentually with basically the same
	number of facilities. This is not in good business practices!
	P.D. days - If custodial staff were scheduled to work alongside the day shift or earlier start time thus shift premium would be omitted for those days and also hydro/water costs would be reduced, when all added up it may be a
	significant saving throughout the year.
	An enrolment fee: It doesn't have to be big. If we charge parents to send their kids to our school, we will give familie
	a bigger incentive to make sure their kid goes to school and doesn't stay home. It'll make the school more attractive,
	too. Caring parents who truly want a good education for their kids will see our catholic schools as a better option that
	a free public school. What comes to your mind when you think of private schools?
10, 2010 2.201	Ads: Students spend a bulk of their day in classrooms and hallways. On my walk through the halls, I see dozens of
	posters for clubs. Why not have some ads for stores or restaurants up there beside them, or on our busses? Some
	brands who target teens as a prime market will pay BIG money to get this ideal advertising space for stores.
Mar 10, 2013 2:43 AM	
Mar 10, 2013 2:43 AM	reduce Board management
Mar 10, 2013 1:14 PM	PD days use teachers to educate, not guest speakers
Mar 10, 2013 1:14 PM	PD religion- don't bus-teachers use own cars.
	more volunteering for keeping the grounds clean
	ask for the more wealthier parents to pay for new basketballs, vollyball nets, etc
Mar 10, 2013 10:54 PM	less catering, more bring a bag lunch
	donh't subsidize off hours use of the school. Make users pay the costs.
	Ask parents to buy papers, crayons and other materials
·	Ask parents to pay double for the damaged materials
Mar 11, 2013 3:25 AM	Rent facilities(schools) for after hour activity at reasonable rates and advertise.
Mar. 11, 2012 2:25 AM	Offer courses for parents who want to help struggling students, resource guide, look fors, etc., and charge tuition/pa
	teachers to teach this after hours.  make religion courses 4 half credits
·	Add email address to registration form to omit handouts
	Stop distribution of daily planners for grades 7 & 8
	Reduce the number of board members
	Hit the issues affecting high schools before the students get there - no more band aids - be proactive and reach the
	kids when they are in grade 7 and 8
	Lose the time consultants are in schools - 40min drop-ins do not help, consultants end up sifting through email while
	they wait for someone to work withteachers are way too busy to spend they're only break in the day with someone
	who they see once every few months.
	Many teacher workshops can be held after school, reducing the need for substitute teachers.
	Advertising for use of gym space in theenint
	ensure accurate bids for school projects
	expand approved vendors group

	stop wasting money on child and youth workers and use the money instead for more appropriate/effective forms of
	collaborative team intervention - ie: 5 teams. SERTS are inefficient given the reduction in resources, make it equal
Mar 13, 2013 1:40 AM	or eliminat the role
	Reduce the need for a student services Sr. Manager by making "discipline leads" among the non-teaching discipline
Mar 13, 2013 1:40 AM	that work directly with SO
Mar 13, 2013 6:28 PM	Move to on line assignment modules to reduce paper consumption and enhance learning experiences.
Mar 13, 2013 6:28 PM	Create fundraising/community building events that include parish involvement
Mar 13, 2013 10:03 PM	Don't buy stuff we don't need. Ex. We can share textbooks and school suplies.
	Give staff time during the next PD day to brainstorm this idea1 hour on this topic would no doubt result in some
Mar 13, 2013 10:30 PM	interesting ideas.
	Have a staff contest with a gift card for the five best money saving ideas. (ie., low flush toilets, green bins instead of
Mar 13, 2013 10:30 PM	paper towels in the garbage, caulk all the gaping holes around doors and windows)
	More equitable distribution of funds and resources to avoid the' have and have not' syndrome.
Mar 14, 2013 10:12 AM	Cut waste in maintenance.
	make repairs promptly, eg. windows not closed properly allowing single pane closure only, poor seals on exterior
Mar 15, 2013 1:53 AM	doors
Mar 15, 2013 1:53 AM	proper snow clearance eliminates repeating jobs
	reassess taxi allocations
Mar 15, 2013 3:35 PM	take a close look at travel periods currently provided
	continuously look at staffing issues - allotment of EA's vs. needs
Mar 15, 2013 8:55 PM	Allow the students the right to wear scarves so there is no question of having to raise the temperature
Mar 16, 2013 2:13 AM	Conversion to LED lighting.
	Ceiling or portable fans in classrooms to offset higher AC setpoint on hot days.
	Do an analysis of spending at the board level.
Mar 16, 2013 1:43 PM	Have an internal auditor.
