Board Administration Presents Catholic Trustees with \$271.8 Million Balanced Budget

Student achievement, labour investments and capital improvements are focus of budget plan

Waterloo Region, ON – Trustees of the *Waterloo Catholic District School Board* last night received the Board's \$271.8 million 2017-18 school year budget. The budget vote is scheduled for 6 p.m., Monday, June 19, 2017.

The 2017-18 budget anticipates enrolment will continue to increase in both elementary and secondary schools in the upcoming year. This increased enrolment, along with provincially-negotiated labour agreements, accounts for the large year over year funding change for the Board. The planned expenditures are based on the *Grants for Student Needs* and incorporate the aforementioned provincially-negotiated labour agreements, along with new funding to reduce greenhouse gas emissions and continued supports to reach provincial student achievement goals.

Quotes

"We are pleased to present a balanced budget to our Board of Trustees which honours the commitments outlined in our multi-year strategic plan. The budget is built on conservative projections which anticipate growth across the system in an environment where more parents and families see value in a faith-based learning environment. In the upcoming year, students will experience the benefits of significant investments in classroom technology, greater numbers of front line staff for our students with the highest needs, and modifications to our buildings to improve building condition and efficiency. Our schools are safe and welcoming places where all students belong and where opportunity abounds. Come join us and experience the difference! We are #peopleofhope!"
