Quotes

"I'm honoured and humbled to know that I am the first ever recipient of this award. When I think of all who have graduated from this great Catholic School system in Waterloo Region since Fr. Eugene Funcken brought it to life, before Canada was born - and generations before my father emigrated from Ireland - I am simply overwhelmed. I stand here for all of them today".

~~ **Hon. Justice Patrick Flynn (from 2005 DGA Award acceptance speech)**

"As you are graduates of this school board, I am literally begging you to help move us forward in a vision of equality, fairness and justice. Nobody else is better placed than you to welcome those at the edges to come in and share in the wealth of our society. If you do take on this challenge, I will be standing shoulder to shoulder with you on the front lines, and so will hundreds of thousands of others".

~~ **Brian Eby (from 2010 DGA Award acceptance speech)**
