# St. Louis Adult Learning Centre's Cambridge Campus to Relocate

## Popular, high quality programs continue at new locations

Waterloo Region, ON – *St. Louis Adult Learning & Continuing Education Centres*, a proud part of the *Waterloo Catholic District School Board*, is looking forward to some new beginnings for its Cambridge Campus -- currently located at 82 Beverly Street.

Since 1986, St. Louis has offered numerous secondary school credit courses, school-to-work pathways programs, literacy and basic skills support and language training classes to the Cambridge community. This same high quality programming will continue in several exciting new locations. This new service approach supports the Waterloo Catholic District School Board's mission of offering a place for each, supporting success for all and being the heart of the community. The new locations are more convenient and accessible for students.

### QuickFacts

- ✓ *St. Anne Catholic Elementary School* will host English as a Second Language (ESL) evening classes for adults. Senior classes will continue as they are at the *David Durward Centre* and the Citizenship preparation class and ESL day class locations are still to be determined.
- ✓ The popular Saturday morning Elementary International Language (IL) classes offered in Polish, Italian, Spanish, and Portuguese to children JK to Grade 8 will be hosted at *Holy Spirit Catholic Elementary School* in Southeast Galt.
- ✓ Adult Secondary School Credit (SSC) Day classes and Hairstyling training will be consolidated with our *St. Louis - Kitchener Main Campus*, behind Kitchener City Hall, in more accessible and fully equipped classroom spaces and where onsite childcare spaces will continue to be available.

### Quotes

"For a few years, we have had to overcome challenges of sustaining our programs in Cambridge in an aging building but our commitment to serving the needs of adult learners in the Cambridge community prevails".

"Relocating our programs is a positive next step in our 28 year history as a school, but the change is not happening right away. We are still business as usual right now, with Term 5 registration for Secondary School credit classes under way at both our Cambridge and Kitchener campuses – classes start next Monday – and our ESL and Core Essentials programs have ongoing registration for current classes until the end of June. We are also hosting orientation sessions this month for our Personal Support Worker and Hairstyling Training classes that begin this September. Over the coming months, watch for St. Louis Cambridge Fall Program details inserted in the Cambridge Times."
