# CATHOLIC LEADERSHIP

## Advanced Leadership

## WCDSB Leadership

This part of the program allows candidates to complete a self-directed component. As leaders we are encouraged to continually grow, constantly improve, set new goals and build a plan to enhance our leadership capacity

The Advanced Leadership Program allows candidates to choose opportunities to enhance their leadership skills through the interactive program sessions, (It may include a job shadowing/mentoring component); and completion of a self-directed study on a topic the candidate feels will enhance their growth.

The Waterloo Catholic District School Board's Leadership Strategy, Advanced Leadership is designed to provide the opportunity for all staff to further develop their Catholic leadership capacity.
