

WCDSB Leadership

We know that leadership is second only to classroom instruction among all school-related factors that contribute to what students learn at school. It is not enough to have good intentions. We are required to be competent and knowledgeable in our field. We will develop this and grow in this area as we serve.

Catholic Leadership Framework

WCDSB's Catholic Leadership Program is a three-part cumulative program. This first part is Developing the Leader Within You.

Mission: *As disciples of Christ, we educate and nurture hope in all learners to realize their full potential to transform god's world.*

Part One

The Part 1 Program is designed to provide an opportunity for all WCDSB staff to grow their leadership capacity through discussion, reflection and discernment. The series examines personal resources and enables participants to introspectively assess their own leadership style while discerning the importance of vision, values, influence and motivation within the context of Catholic education and the WCDSB.
