POLICY STATEMENT:

In a policy governance model, “ends statements” act as guiding principles that will lead us to our preferred future as a system. On behalf of the Catholic ratepayers of Waterloo Region and, in part under its duties as a Board under Section 169.1 of the Education Act and Regulations, as well as at a justifiable use of government and community resources, the WCDSB will create, implement and monitor a multi-year strategic plan that ensures – via the Director of Education – the Board acts responsibly to ensure learners achieve their fullest potential in learning communities that are a living experience of Catholic faith.

Heart of the Community:

Our schools are heart of the community:

- I. When faith practice is integrated into the daily lives of our students as members of their school community,
- II. When they have the knowledge of the history, and regular experiences with, the values, doctrines and social justice imperatives of the Catholic faith,
- III. When they are contributors to society, dedicated to the common good and,
- IV. When all are included, welcomed, cared for, respected, and treated with dignity in invitational learning environments that help every student fully utilize their unique gifts while meeting their individual spiritual, physical, learning and/or emotional needs.

Success for Each:

We create the conditions for success for our students by knowing our students, knowing our staff and doing what matters.

Our students achieve academic success:

- I. When given the necessary supports to work to their highest level of ability,
- II. When they have the knowledge, skills and confidence to pursue their desired career and life paths and,
- III. When they are prepared for the challenges and opportunities of an ever-changing world that demands a diverse skill set as well as a broad social conscience aligned with our Catholic values and,
- IV. When they meet the Ontario Catholic Schools Graduate Expectations.

We Create A Place for All:

When our schools, system departments, processes and policies reflect our belief that students deserve the best programs, delivered by well-prepared staff who are supported in their professional learning. Our schools will be supported in this by a strategic plan that includes processes whereby:

- I. WCDSB school and system initiatives are monitored through ongoing internal and external assessment measures to ensure students are learning at their highest possible level of achievement through programming that meets their individual learning needs, spiritual needs and learning styles and
- II. When all WCDSB departments are held to the highest standards through periodic external reviews to ensure the Board meets its financial and legal obligations to its employees, the Ministry of Education and its ratepayers.

Monitoring would take place on an ongoing basis but more formally in the June of each year, as the Multi-year Strategic Plan is monitored along with CEO Performance.
