

Board of Trustees' Board Meeting

Date: Monday, July 13, 2020

Time: 6:00 p.m.

Location:

* Committee of the Whole In Camera, if necessary, will precede or follow the Board Meeting, as appropriate.

Virtual Board Meeting

Link: https://youtu.be/feiRIFDLiyM

Attendees: Board of Trustees:

Bill Conway (Chair), Manuel da Silva, Kevin Dupuis, Jeanne Gravelle, Wendy Price, Greg

Reitzel, Brian Schmalz, Melanie Van Alphen, Tracey Weiler

Student Representatives:

Meghan Cymbron, Rori Schaefer

Senior Administration:

Loretta Notten, Jason Connolly, Maria Ivankovic, John Klein, Shesh Maharaj, Judy Merkel,

Richard Olson, Laura Shoemaker

Special Resource:

Recording Secretary:

Alice Figueiredo

ITEM	Who	Agenda Section	Method & Outcome
1. Call to Order	B. Conway		
1.1 Opening Prayer & Memorials	Board Pastoral Team		
1.2 Territorial Acknowledgement I (we) would like to begin by acknowledging that the land on which we gather today is the land traditionally used by the Haudenosaunee, Anishinaabe and Neutral People. I (we) also acknowledge the enduring presence and deep traditional knowledge, laws and philosophies of the Indigenous People with whom we share this land today.	B. Conway		
 1.3 Approval of Agenda 1.4 Declaration of Pecuniary Interest 1.4.1 From the current meeting 1.4.2 From a previous public or in-camera meeting 1.5 Items for Action: 	Board of Trustees Individual Trustees		Approval
1.5.1. In-camera Meeting of June 15 th , 2020 regarding financial matters and Private, Private meeting of June 15 th , 2020 regarding Human Resource Services matters.	Board of Trustees		Approval
2. Consent Agenda: Director of Education (e.g.: day -to -day operational matters from the Ministry of Education that the Board is required to do)			
3. Consent Agenda: Board (Minutes of meetings, staff report)			

ITEM	Who	Agenda Section	Method & Outcome

15.1 Confirm Decision made tonight	Recording Secretary		Information
16. Closing Prayer			
17. Motion to Adjourn	Board of Trustees	Motion	Approval

CLOSING PRAYER

O Risen Lord, you have entrusted us with the responsibility to help form a new generation of disciples and apostles through the gift of our Catholic schools.

As disciples of Christ, may we educate and nurture hope in all learners to realize their full potential to transform God's world.

May our Catholic schools truly be at the heart of the community, fostering success for each by providing a place for all.

May we and all whom we lead be discerning believers formed in the Catholic faith community; effective communicators; reflective and creative thinkers; self-directed, responsible, life-long learners; collaborative contributors; caring family members; and responsible citizens.

Grant us the wisdom of your Spirit so that we might always be faithful to our responsibilities. We make this prayer through Christ our Lord.

Amen

Rev. Charlie Fedy, CR and the Board of Trustees, 2010

Board of Trustees' Board Meeting

A public meeting of the Board of Trustees was held on Monday, June 15, 2020 via Virtual Meeting.

Trustees Present:

Bill Conway (Chair), Kevin Dupuis, Manuel da Silva, Jeanne Gravelle, Wendy Price, Greg Reitzel, Brian Schmalz, Melanie Van Alphen, Tracey Weiler

Student Trustees Present:

Meghan Cymbron, Rori Schaefer

Administrative Officials Present:

Loretta Notten, Jason Connolly, Maria Ivankovic, John Klein, Shesh Maharaj, Judy Merkel, Richard Olson, Laura Shoemaker

Special Resources For The Meeting:

Regrets:

Recorder:

Alice Figueiredo, Executive Administrative Assistant

NOTE ON VOTING: Under Board by-law 5.7 all Board decisions made by consensus are deemed the equivalent of a unanimous vote. A consensus decision is therefore deemed to be a vote of 9-0. Under Board by-law 5.11 every Trustee "shall vote on all questions on which the Trustee is entitled to vote" and abstentions are not permitted.

1. Call to Order:

The Chair of the Board called the meeting to order at 6:00 p.m.

1.1 Opening Prayer & Memorials

The meeting opened with prayer led by Trustee da Silva in recognition of Father's Day.

1.2 Territorial Acknowledgment

The Territorial Acknowledgement was declared by Trustee Conway.

1.3 Approval of Agenda

2020-81-- It was moved by Trustee Schmalz seconded by Trustee Dupuis: THAT the agenda for Monday, June 15th, 2020, be now approved. --- Carried by *consensus*.

1.4 Declaration of Pecuniary Interest

- 1.3.1 From the current meeting NIL
- 1.3.2 From a previous public or in-camera meeting NIL

1.5 Items for Action:

1.5. Private, Private meeting of May 25th, 2020 regarding Human Resource Services matters, Private, Private, Private meeting of Monday, May 25th, 2020 regarding Human Resource Services Matters and In-camera meeting of June 15, 2020 regarding financial matters.

2020-82 -- It was moved by Trustee Reitzel seconded by Trustee Weiler:

That the Items for Action regarding Private, Private meeting of May 25th, 2020 regarding Human Resource Services matters, Private, Private meeting of Monday, May 25th, 2020 regarding Human Resource Services Matters and In-camera meeting of June 15, 2020 regarding financial matters be now approved. --- Carried by *consensus*.

2 Consent Agenda: Director of Education (e.g. day-to-day operational matters from the Ministry of Education that the board is required to do)

3 Consent Agenda: Board of Trustees (Minutes of meetings)

Approval of Minutes of Regular and Special Meetings

- 3.1 Approval of Minutes of Regular and Special Meetings
- 3.1.1 Board of Trustee Meeting Minutes of May 25th, 2020
- 3.2 Interim Financial Report #3
- 3.3 Trustee Budget Update
- 3.4 Governance Minutes of June 8th, 2020
- 3.5 Audit Committee Minutes of April 21, 2020
- 3.6 Audit Committee Interim Report to the Board of Trustees
- 3.7 Audit Committee Self-Evaluation (2018-2019)
- 3.8 2018-2019 Trustee Expense Audit Report

2020-83- It was moved by Trustee Reitzel and seconded by Trustee Weiler:

THAT the Consent Agenda Board of Trustees and the recommendations contained therein be now approved. --- Carried by consensus

2020-84- It was moved by Trustee Schmalz and seconded by Trustee Van Alphen: THAT Governance minutes of June 8, 2020 be now approved. --- Carried by consensus

4 Delegations

5 Advice from the CEO

5.1 Director's Report

Director Notten provided the Board of Trustees with an update on the various meetings attended in response to the school closure. Director Notten noted that a parent survey will be complied and sent to all parents/guardians of the system in the coming month with respect return to face to face school in the fall and transportation.

Trustees asked clarifying questions and Director Notten confirmed that the survey will focus on reopening but more operational from a family perceptive.

5.2 Extended Day Programs

It was noted that Extended Day Program is for approval and not for Information as noted in the report. Superintendent Ivankovic provided a background on the Extended Day program and noted that there will be slight increase to the fees in 2020-21 and confirmed the schools where Extended Day programs were not viable.

Trustees asked clarifying questions on cost increase and why the schools noted were not viable options for Extended Day. Superintendent Ivankovic along with Lisa Horst, ECEC Supervisors explained the increase and why it was not viable at schools listed.

2020-85- It was moved by Trustee da Silva and seconded by Trustee Gravelle:

To approve the proposed fee increase for Extended Day Programs which will not exceed \$26.25 per day for the 2020-2021 school year. --- Carried by consensus

2020-86- It was moved by Trustee Gravelle and seconded by Trustee Dupuis:

That the Board of Trustees is informed and approves of the schools offering Extended Day Programs for 2020-2021 school year. --- Carried by consensus

5.3 WCDSB MYSP 2018-2021 Report Card

Director Notten provided the Board of Trustees with an extensive report on the WCDSB MYSP 2018-2021 Report Card and the priorities of the work of the Board. It was noted that the three metrices typically used to inform the report were not used as in the past due to extenuating circumstances of job action and Covid-19 school closure. Actions Plans on the six identified strategic directions were discussed along with the goals and key next steps.

Trustees asked clarifying questions. Trustee Van Alphen suggested that the hiring of an Equity Officer could support the MYSP in the future. Director Notten noted that she will take under advisement as the new positions for 2020-21 have already been identified and that the Board has a very active Equity committee.

2020-87- It was moved by Trustee Gravelle and seconded by Trustee Schmalz:

That the Board approve the Multi-Year Strategic Plan Report Card Update for 2018-2021, as presented in this report and found in Appendices A and B. --- Carried by consensus

6 Ownership Linkage (Communication with the External Environment)

7 Actions From Board Committees/Task Forces

7.1 Student Trustee Update (Verbal)

Student Trustees provided their final report for the school year noting their virtual board-wide initiative week where they posted videos surrounding mental health, motivation, comedy, and graduation.

7.2 Acknowledgement of Student Trustees

Trustee Price and Trustee Gravelle acknowledged Student Trustees' Meghan Cymbron and Rori Schaefer for their commitment over the past year as Student Trustees and wished them well.

7.3 Linkages Annual Committee Report

Trustee Weiler provided a report on the work of the Linkages Committee for the past year.

7.4 Pastoral Care Team Annual Committee Report

Trustee Gravelle provide a report on the work of the Pastoral Care Team for the past year.

7.5 Governance Annual Committee Report

Trustee Van Alphen provided a report on the work of the Governance Annual Committee for the past year.

8 Board Education (at the request of the Board)

At this time Chair Conway noted that an item was missed at the approval of the agenda and requested it be added at this time. It was requested to add item 8.4 Principal/Vice-Principal Central Discussion Table regarding Terms and Conditions of Employment for approval.

2020-88- It was moved by Trustee Dupuis and seconded by Trustee Gravelle:

That 8.4 Principal/Vice-Principal Central Discussion Table regarding Terms and Conditions of Employment for approval be added to the agenda. --- Carried by consensus

8.1 Chair's Update

Chair Conway provided a summary of meetings attended for the month of June.

8.2 OCSTA/CCSTA Communications

Chair Conway briefly discussed communications.

8.3 OCSTA AGM Resolutions Discussion

Chair Conway lead a discussion on the OCSTA AGM Resolution being brought forward to the AGM at the end of June.

8.4 Principal/Vice-Principal Central Discussion Table regarding Terms and Conditions of Employment Director Notten confirmed the motion being requested by OCSTA.

2020-89- It was moved by Trustee Dupuis and seconded by Trustee Reitzel:

Where a central table is established to discuss terms and conditions of employment for principals and vice-principals, the Waterloo Catholic District School Board hereby authorizes OCSTA to act as employer bargaining agent on its behalf for such central discussions. OCSTA may exercise its role as employer bargaining agent in respect of the principal and vice-principal group (Catholic Principals' Council of Ontario), consistent with the obligations and duties created under the School Boards' Collective Bargaining Act for support staff unionized employees. --- Carried by consensus

9 Policy Discussion

9.1 Work of the Board January 2019 to June 2020

Chair Conway discussed the work of the board and confirmed that the Board will report back to the system in January and June of each year with goals being established in the fall. This year's initiatives include extensive review of board policies and review of OCSTA Trustee modules.

9.2 Policy Review and Recommendations from Governance Committee

Trustee Van Alphen presented a report with recommendations from the Governance Committee and requested approval.

2020-90- It was moved by Trustee Price and seconded by Trustee Reitzel:

That the Board of Trustees approve the following recommendations:

1) Add a new number 6 – The priorities of the Board will be set in September, with progress of the work of the Board reviewed in January and a report prepared and brought to June Board meeting, of each school year to Policy II-003 --- Carried by consensus

2020-91- It was moved by Trustee Schmalz and seconded by Trustee Price:

Add a new number 7 – Continuous improvement including a self-evaluation every year, to be presented at the May Board meeting to Policy II 003. --- Carried by consensus

2020-92- It was moved by Trustee Dupuis and seconded by Trustee Schmalz:

Add as a new number 5- Student Trustee feedback form to be completed for and presented at the May Board meeting each year to Policy II 012. --- Carried by consensus

9.3 Call Log Review

Trustee Van Alphen presented a report highlighting a summary of the call log over the past year. Trustee Dupuis noted that he feels the call log does not reflect the number of total emails and phone calls. It was noted that every call was not entered, if there were many contacts on one topic, they were entered as one entry. Round table discussion arose on whether all items should be entered and whether the log should include emails?

It was agreed main purpose it to identify trends and help inform work of the Board when identified in September. Noted to bring back in fall to clarify whether all call/emails should be added, agreed that should be used as a learning tool.

10 Assurance of Successful Board Performance

10.1 Review of Board Policy

10.1.1 Board Policy II 001 General Governance Commitment

Trustee Conway confirmed review of Board Policy II 001 General Governance Commitment. Trustee Van Alphen expressed concern that the policy was outdated and does not align with updated polices. Noted it had been 10 year since the policy was updated and recommended it be reviewed at Governance.

2020-93 -- It was moved by Trustee Reitzel and seconded by Trustee Van Alphen:

THAT the Board of Trustees reviewed Board Policy II 001 General Governance Commitment and confirm it is in compliance but will refer to Governance for further review. --- Carried by consensus

A review is required for this policy.

10.1.2 Board Policy II 009 Board Committee Principles

Chair Conway confirmed review of Board Policy II 009 Board Committee Principals and moved that it is compliance.

2020-94 -- It was moved by Trustee Conway and seconded by Trustee Dupuis:

THAT the Board of Trustees reviewed Board Policy II 009 Board Committee Principles is in compliance. --- Carried by consensus

There is no need to review the policy.

10.1.3 Board Policy II 010 Board Committee Structure

Trustee Dupuis confirmed review of Board Policy II 010 and moved that the Board is in compliance.

2020-95 -- It was moved by Trustee Dupuis and seconded by Trustee Reitzel:

THAT the Board of Trustees reviewed Board Policy II 010 Board Committee Structure is in compliance. --- Carried by consensus

There is no need to review the policy.

11 Assurance of Successful Director of Education Performance

11.1 Monitoring Reports & Vote on Compliance

11.1.1 General Exec Limitations - Monitoring Report IV - 1

Director Notten provided the Board of Trustees with a report confirming compliance of Board Policy IV 001 General Executive Limitation and requested that the Board accept this report indicating compliance.

2020-96 -- It was moved by Trustee Schmalz and seconded by Trustee Gravelle:

That the Board accept this report indicating compliance with General Executive Limitation Policy IV 001. --- Carried by consensus

12 Potential Agenda Items

12.1 Trustee Inquiry Report from the CEO

12.2 Shared Concerns

13 Announcements

13.1 Upcoming Meetings/Events (all scheduled for the Catholic Education Centre unless otherwise indicated):

- •Jun 27: OCSTA AGM Virtual
- Sept 14: Committee of the Whole Meeting
- Sept 28: Board of Trustees' Meeting

13.2 Pending Items:

13.3 Pending Items for OCSTA Consideration

14 Items for the Next Meeting Agenda

15 Adjournment - Confirm decisions made tonight.

15.1 The Recording Secretary confirmed the meeting decisions.

15.2 Private, Private

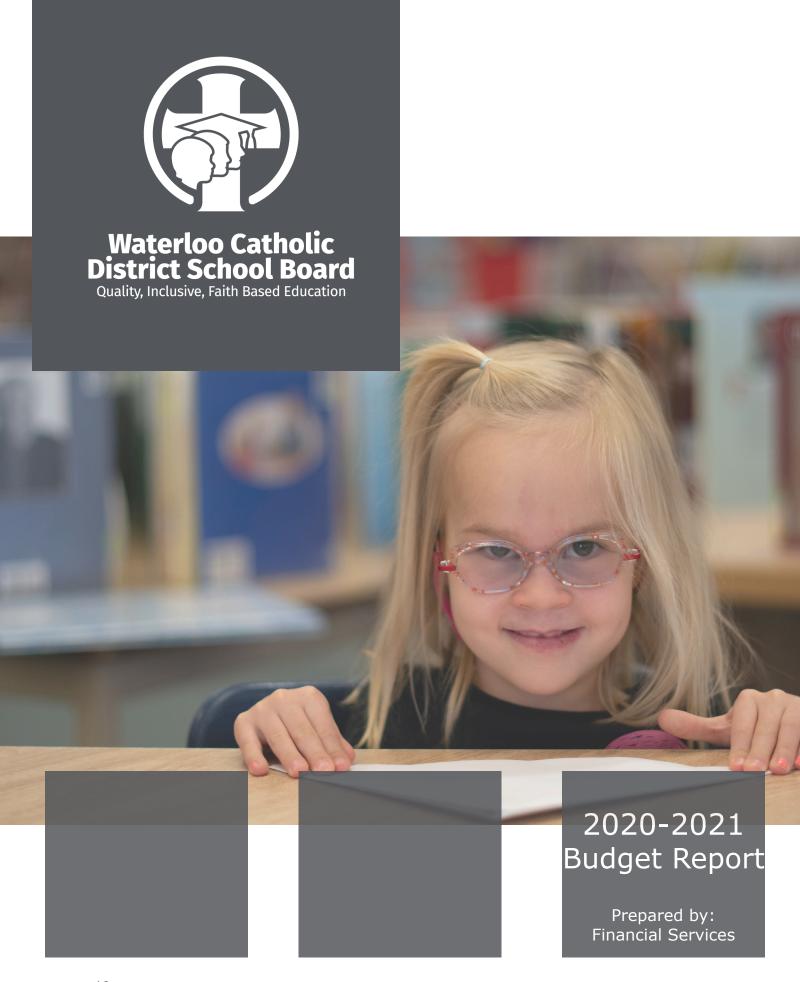

2020-97 -- It was moved by Trustee da Silva and seconded by Trustee Gravelle:

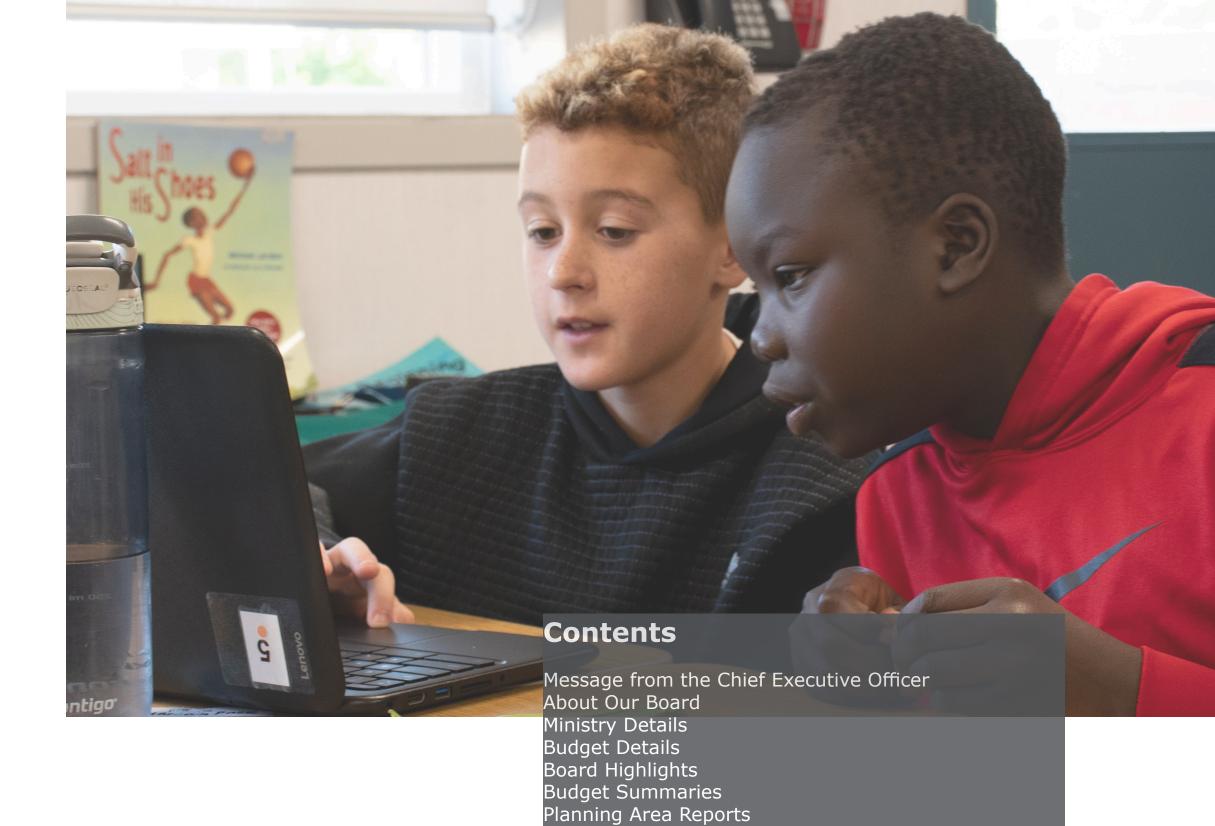

That the meeting moves into Private, Private at 8:05 pm. --- Carried by consensus

2020-98 -- It was moved by Trustee Dupuis and seconded by Trustee Schmalz:

That the meeting be extended beyond 9:00 p.m. --- Carried by consensus

16 Closing Prayer	
17 Motion to Adjourn	
2020-99 It was moved by Trustee da Silva and seconded by THAT the meeting be now adjourned. The meeting was adjourn	
Chair of the Board	Secretary

Appendices

3

This report is intended to help stakeholders understand Ministry requirements, while drawing connections between the budget presented by the management and the commitment to student development.

Special thanks to the Financial Services Team for their work in preparing our budget and associated presentation materials, and to the senior team for their efforts in making thoughtful decisions in light of complex funding challenges.

Message from the Chief Executive Officer

Dear Parents, Students and Catholic School Supporters,

On behalf of the WCDSB Senior Administration, we are pleased to provide you with the details of the proposed 2020-2021 school year budget.

This past year has been a year unlike any other, and as we plan for the fall, there are a number of uncertainties as to the nature of the year and the pressures we may face. Nonetheless, at this time we are pleased to report that the proposed budget is balanced and meets all of our legislative and regulatory requirements, as well as our newly negotiated contractual obligations.

As always, our decisions have been guided by our key priorities as captured in the following key plans:

- Multi-Year Strategic Plan
- Board Improvement Plan for Student Achievement
- Long Term Accommodation Plan
- Energy Conservation and Demand Management Plan
- Information Technology Strategic Plan

Further, in this unique environment, we have also been guided by new and emerging considerations related to re-opening our schools within our current COVID-19 reality. This adds a number of factors into our planning, chief among them health and safety considerations. It has also called us to be cautious in our enrolment projections, given some of the uncertainty associated with international students and potentially younger students. Transportation may also emerge over the course of the year as a pressure point to our budget, given the complex demands of transporting our students in our new reality.

We were pleased to see all unions successfully negotiate new contracts. Reflected in this year's budget is the change in class size at the secondary level, from 22:1 to 23:1. There is no change to our elementary class sizes. We have also seen the return of funding to support special education needs and STEM learning through the "Support for Students" fund. This has allowed us to return most of the positions that were impacted in last year's budget when the Learning Priority Fund had been suspended. We have continued to be funded for the Ministry Learning Disability pilot project, which will further support the delivery of literacy programming. This will allow us to continue to serve our students with special education needs as we move into this next school year.

Supporting the work of both our pastoral plan and equity agenda will be key priorities in the year to come, and we will adapt as the times invite, but both will be essential to realizing our Board vision. We have also seen support for mathematics and mental health continue, and these remain significant priorities for the Board.

In the spring of this past school year we were able to deploy just under 3,000 Chromebooks to our community. In this budget we continue to invest in learning technology that will support our board in its goal to continue as an innovation – and learning – leader.

Our Board continues to grow – a proud reflection of the confidence the community has in the great work that happens in our schools. This has continued to require investments in facilities and portables to accommodate our growing population.

We look forward to the year ahead with optimism. Despite the lack of full clarity about the nature of the year, we know that our planning is built on a solid foundation and that our staff and students are strong, resilient and hope-filled. We continue to be proud of our many accomplishments, our ability to nimbly adapt and to serve our students well. We are future-focused and confident that our students will graduate with the potential to "transform God's world".

Thank you for choosing and supporting Waterloo Region's Catholic Schools, a place where we are called to belong and gathered to become.

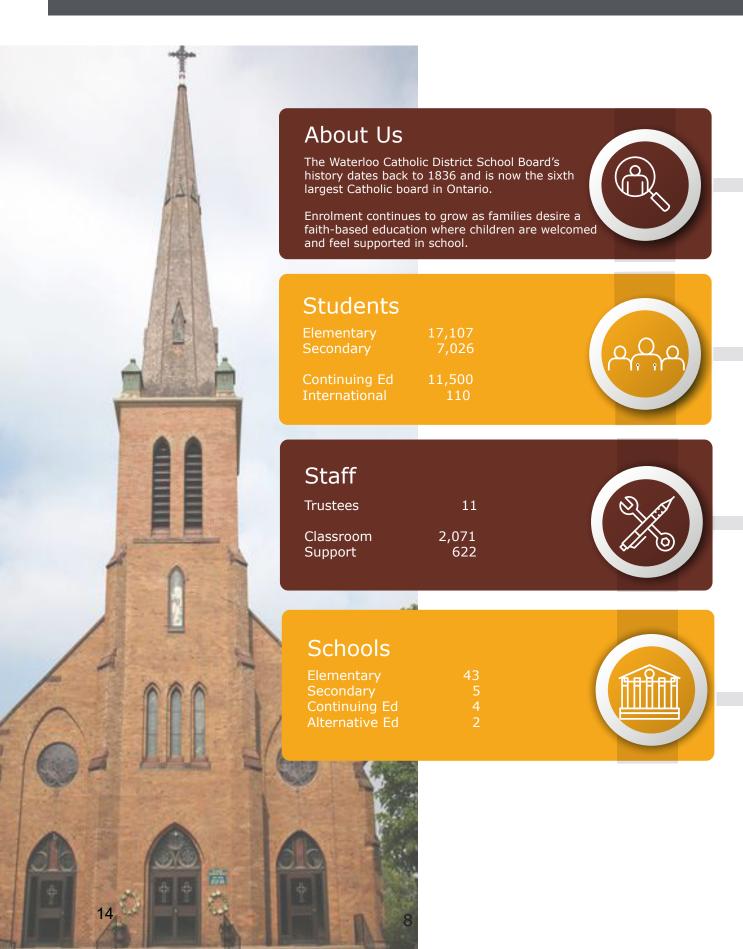

Sincerely,

Loretta Notten Director of Education

Key Statistics

Our Vision, Mission and Beliefs

Our Catholic Schools: heart of the community -- success for each, a place for all.

As disciples of Christ, we educate and nurture hope in all learners to realize their full potential to transform God's world.

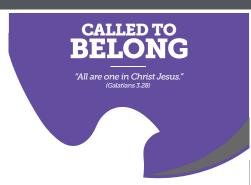

All students nurtured in a community grounded in our Gospel values, and experiencing authentic learning environments of collaboration, inquiry and engagement, will become global citizens who transform God's world.

We maximize the God-given potential of each child when we welcome all students, believe in all students and instill hope in all students, basing our decisions on stated priorities.

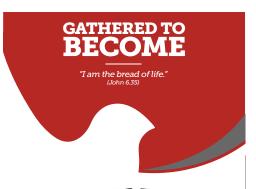

In fostering students who meet the Ontario Catholic School Graduate Expectations we also produce successful and independent global 21st century learners who give witness to their faith.

Quality, Inclusive, Faith Based Education

Our Plans

The guiding principles for budget development outline that all plans are incorporated into the annual budget. This ensures that there are funds, if required, to successfully execute the plans and achieve our goals.

The following detailed plans can be found on our website:

Long Term Accomodation Plan (LTAP) Document sets out plans for school accomodation and building renewal. The plan contains demographic information, enrolment projections, upcoming boundary reviews, school profiles, and planned capital projects. The LTAP informs the budget of the need for temporary accomodation, enrolment growth, staffing and capital projects. Accomodations

Pastoral Plan

Multi-year plan concluding in 2021 which aims to embody the spirit of our faith, and is a response to the Pastoral letter, Renewing the Promise.

The plan for the final year will centre on the theme Sent to Build.

Mental Health and Well-Being Plan Plan that identifies the importance of well-being for students, families and staff. The plan focuses on development of resiliency, social/emotional learning, and behavioural competence with a faith-based lens. Collider of the staff of the plan focuses on development of resiliency, social/emotional learning, and behavioural competence with a faith-based lens. Collider of the staff of the plan focuses on development of resiliency, social/emotional learning, and behavioural competence with a faith-based lens. Collider of the staff of the plan focuses on development of resiliency, social/emotional learning, and behavioural competence with a faith-based lens. Collider of the staff of the plan focuses on development of resiliency, social/emotional learning, and behavioural competence with a faith-based lens.

10

Energy Conservation and Demand Management Plan (ECDMP)

Plan that provides energy saving initiatives, reduction targets, and sustainability strategies. The plan outlines the need for preventative equipment and building maintenance, repairs, monitoring, and promotion of green practices at schools. The ECDMP is supported by the budget through the addition of staff to assist the fulfilment of the plan vision.

Information Technology Strategic Plan (ITSP)

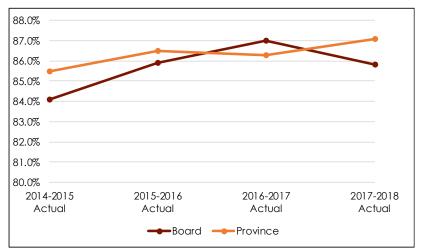

Multi-year plan that provides a map for information technology priorities and requirements. The ITSP is refreshed annually to account for changes in technology and student needs. The ITSP is supported by the budget in particular addressing aging equipment in schools.

Our Targets

Graduation Rates

Graduation rates reflect the work done with students from Junior Kindergarten through to Grade 12. All schools work hard to ensure each child reaches their full potential. This requires a comprehensive consideration of the needs of all learners and an understanding of the supports they require to succeed.

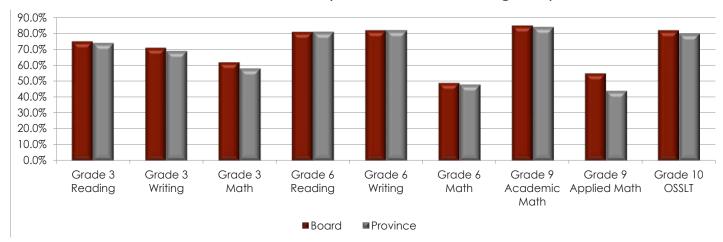

The Ministry annually publishes school board and provincial graduation rate averages. The goal is to ensure that parents, teachers, and school boards have access to data that can help to improve overall student achievement. At the time of publication, the Four-Year Graduation rates for 2018-2019 had not yet been released by the Ministry.

EQAO

Education Quality and Accountability Office (EQAO) testing is designed to provide key information to interpret achievement in the context of the school, board and province. The EQAO is an independent body responsible for providing clear and objective information about student achievement.

The following highlights the Board EQAO results from 2018-2019. The Ministry announced in March that all K-12 EQAO assessments for 2019-2020 school year have been cancelled due to the "extraordinary circumstances facing the province".

Provincial Perspective

After months of delays, the Ministry announced the Grants for Student Needs (GSNs) on June 19, 2020. The grants are generally announced at the end of March, but central labour negotiations and the closure of schools due to the pandemic delayed the announcement. This meant that all school boards in Ontario faced the same uncertainties.

Total funding for the sector is estimated to be \$25.5B which represents a 3.5% increase over 2019-2020. The primary rationale for the year over year increase is due to supporting the labour agreements, which represent a noticeable annual increase throughout all aspects of the Board's budget. Additionally, the Ministry adjusted funding benchmarks and table amounts outside of salaries which added to the increased funding.

The Ministry identified a number of key investments and changes for the upcoming school year:

- Support for centrally negotiated collective agreements
- New funding for extraordinary costs related to COVID-19
 - This funding is intended to support mental health and well-being of students and technology related costs
 - This funding was announced but specific allocations have not yet been provided to boards, and is not incorporated into the budget at this time
- Adjustments to funding for class size and online learning
 - No changes to elementary class sizes
 - Secondary class sizes have been negotiated at 23:1 as opposed to 28:1 funding which was provided in 2019-2020
- Discontinuation of Earned Leave Plans
- Re-instatement of Local Priorities Funding (LPF) now called Supports for Student Funds (SSF)
- Additional support for sick leaves
- 2.0% benchmark increase to update the non-staff portion of School Operations allocation

The Ministry also announced the 2020-2021 Partnership and Priorities Fund (PPF) amounts for the upcoming year at the same time as the GSN release. This assists with Board planning as some PPFs have staffing implications. There were also a number of prior year PPFs that the Ministry moved into the GSN, signalling permanent funding.

Due to the unprecedented times that the Board is currently navigating, the budget has been prepared based on the assumption that school will resume as normal commencing September. At this point in time, there is not enough information to determine what form learning will take in the fall, despite current planning by senior administration. At this point, the Ministry has not augmented funding for potential modes of learning and boards have been encouraged to plan conservatively, ensure prudent use of funds and to be prepared to pivot.

Through the GSN, the Ministry focus for the upcoming year remains to be Student Achievement. There were no new major initiatives identified at this time which does provide relief to the Board in terms of planning. There were also no cost savings measures implemented this year which was a welcome reprieve. The Ministry did indicate that they will continue to review Student Transportation funding.

Pandemic Response: COVID-19

As was noted earlier, the proposed 2020-2021 school year budget is based upon a full return to school with specific modifications. As COVID-19 continues to persist in the province, budgeting has required the use of estimates and assumptions on program and service delivery. A summary of notable COVID-19 related items follows:

Mode of Delivery

The province has requested that school boards be ready to serve students in three ways:

- 1. Full return to school
- 2. Modified return to school/hybrid
- 3. Fully remote service delivery

Each of these models has different implications for budget and each can be accomplished within the budget presented.

Personal Protective Equipment (PPE)

For purposes of supporting a safe return to school in September, management has purchased 4 months' worth of personal protective equipment using funds from the 2019-2020 school year. PPE includes face masks, gloves, gowns, face shields, hand sanitizer, disinfecting wipes, hand soap, sneeze guards, signage, markings, and cleaning/disinfection supplies. The quantities purchased were based on models created by the Board's Health and Safety staff. The 2020-2021 school year budget includes a provision for the remaining 6 months of the school year.

Staffing

As hygiene and cleaning will play a big part in our success in reopening, facilities staff are actively recruiting for additional custodians.

Further, management has incorporated an increase into the supply budgets for relevant employee groups in part due to sick leave trending, and further based on the unknown in terms of COVID-19 related illnesses and quarantines. There is a limit on how much supply costs can increase as supply staff are in high demand and difficult to find.

Investments in Technology and Internet

In March of 2019, over 3,000 Chromebooks and internet devices were provided to families who needed support to access distance education programs and services. These devices will be replaced over the summer of 2020 so teaching and learning could begin in September. If schools move to a modified or fully remote form of service delivery, there is a potential that students will need additional devices to support their learning. Though no provision has been made in the 2020-2021 budget for additional hand-outs of technology, the repurchased Chromebooks plus the net new technology purchased as part of the annual computer renewal cycle will form a good base from which students and staff can draw from, if needed.

16

Extended Day Programs

Extended day programs have been planned for the 2020-2021 school year. Preliminary registrations for the program are down given the uncertainty and risk associated with the virus. Staff may need to modify the start date if registration continues to be low, or if community infection rates/public health requirements cause concern about the ability to run the program safely.

Community Use of Schools/Rentals

School rentals are expected to be lower than usual, in particular at the beginning of the year. Budgets have been adjusted to reflect this assumption.

Enrolment

The Budget Advisory Committee reviewed the recommendations provided by the Elementary and Secondary Enrolment Committees in the spring. Based on the data provided, a preliminary enrolment scenario was selected for each panel which summed to an approximate growth of 700 students over 2019-2020.

Enrolment for the new year has been monitored regularly since that meeting. Based on current trending, the elementary enrolment figure used in the development of the 2020-2021 budget has been reduced by 300 students. The reasons for lower enrolment relate to a federal freeze on immigration and the uncertainty/angst created by the virus and implications on community (and school) safety.

International Education

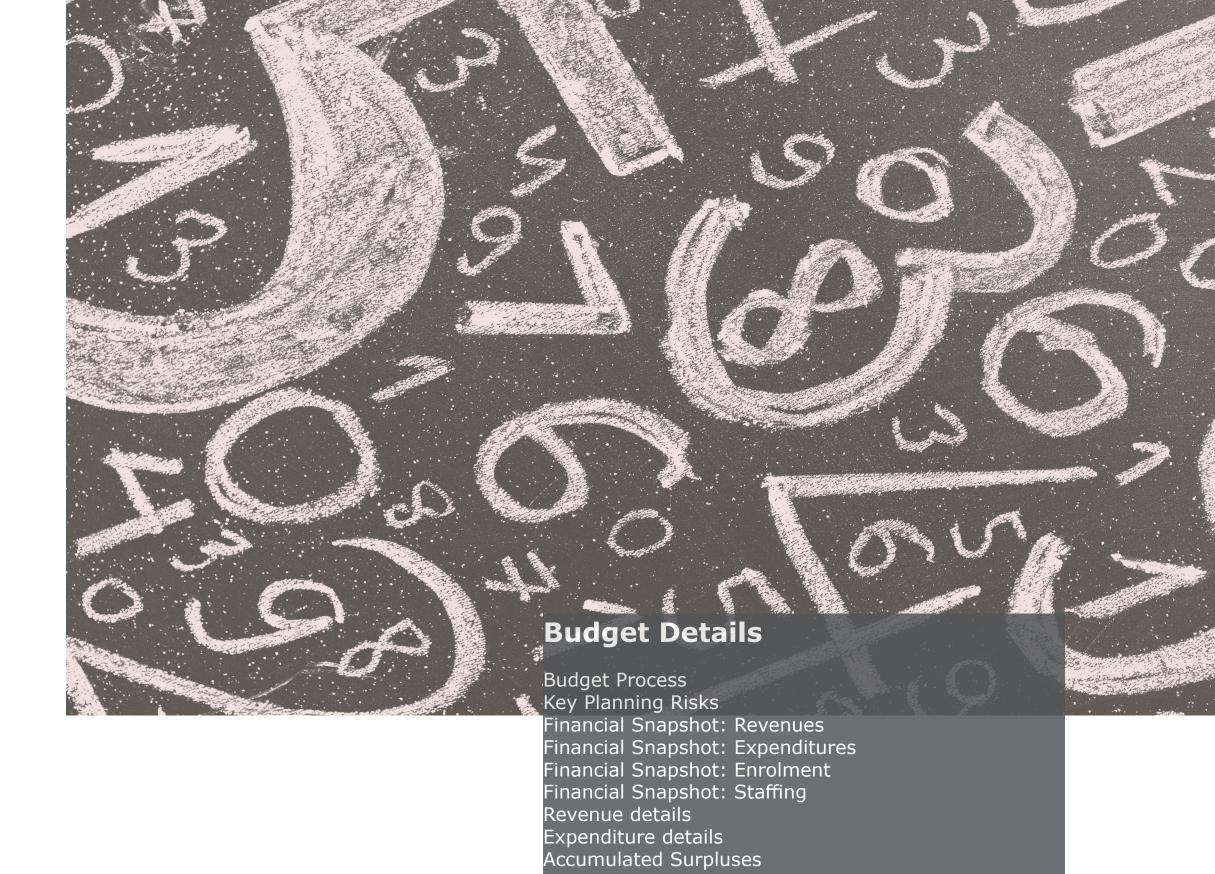

The closure of Canadian borders to visitors has directly impacted our ability to enrol students living in other parts of the world. The estimated number of students in the program has been reduced significantly as have the associated revenues and related expenditures. It is hoped that borders will re-open for second semester, and some budget has been included for that possibility. Year over year enrolment figures can be seen on the dashboard summary on page 36.

Transportation

The requirement to keep students physically distanced as part of COVID-19 measures has had a significant impact on transportation. A bus that could normally hold up to 72 passengers will now be limited to one student or family per seat, or every second seat (to be determined).

Because of the reduced capacity on each bus, multiple runs will be needed to service each school. This means students may be late getting to school and early leaving school. While some students may think this is great, there will be additional costs due to added bus driver time and mileage increases.

Further, additional cleaning routines/materials are needed for disinfection of high touch areas on vehicles, and some PPE may be required. These are new costs.

Deferred Revenues

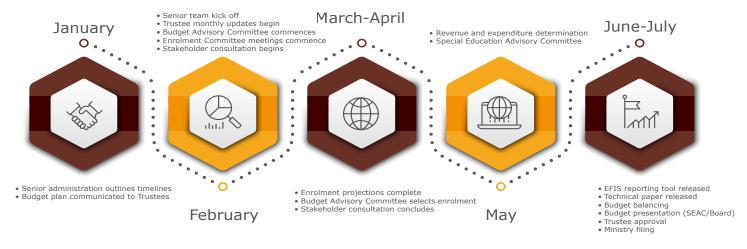

Budget Process

The budget process for 2020-2021 engaged budget holders starting in February 2020. This timing helps to reduce decision-making bottlenecks and allows for more thoughtful analysis earlier in the process.

The process included a budget kick-off with senior administration to assess opportunities for efficiencies, to develop budget priorities and guidelines, and to discuss potential changes for 2020-2021.

The Elementary and Secondary Enrolment Committees continued to meet and review projection methodologies. This approach has been successful and allows the Board to present well-rounded projections to the Budget Advisory Committee for decision making. Senior administration and trustees were kept informed on budget progress with weekly and monthly updates. This allowed for timely management review and changes as required.

One of the major challenges in budget development was the timing of budget information released by the province. Grants are usually announced in March, but due to collective bargaining and COVID-related priorities, the announcement was delayed until mid-June. The Ministry did reveal negotiated class sizes earlier to allow boards to plan, but this is only one component needed to develop a full budget.

Key Planning Risks

Management mitigates known challenges and risks by ensuring that the budget is built upon a solid foundation. This means making calculated assumptions in order to control pressures that may arise. Monthly monitoring, as well as quarterly reporting to the Audit Committee and Trustees helps to keep the Board finances on-track throughout the year.

The following PESTEL analysis highlights known elements that the Board has considered during budget development.

Financial Snapshot: Revenues

The Board is financially dependent upon the Ministry of Education for funding through the Grants for Student Needs (GSNs). The GSN is made up of individual grants that each serve a distinct purpose towards carrying out Ministry goals and mandates for the education sector.

	2017-2018	2018-2019	2019-2020	2020-2021
	Actual	Actual	Estimates	Estimates
Grants for Student Needs	\$ 212,252,383	\$ 224,827,892	\$ 229,826,368	\$ 243,990,805
Local taxation	51,352,938	54,010,609	53,488,979	54,943,060
Targeted grants (PPF)	4,883,828	2,768,142	920,918	1,359,875
Other revenue	14,856,956	16,533,499	15,689,267	14,451,134
Total revenue	\$283,346,105	\$298,140,142	\$299,925,532	\$314,744,874

Financial Snapshot: Expenditures

Expenditures are based on legislative requirements, contractual obligations, Board policy, and known infrastructure needs. In some cases, best estimates are required which are then adjusted in-year once better information becomes available.

	2017-2018	2018-2019	2019-2020	2020-2021
	Actual	Actual	Estimates	Estimates
Salary and benefits	\$ 227,585,127	\$ 243,381,854	\$ 244,379,804	\$ 255,574,342

Other expenditures	27,015,217	26,811,650	27,806,270	31,456,452
Total expenditures	\$282,333,320	\$297,080,898	\$299,925,532	\$314,744,874

22

Financial Snapshot: Enrolment

Total day school enrolment for 2020-2021 is projected to be 24,133 (2019-2020: 23,675). This is an increase of 458 full time students over the projection from last year. A 1.9% increase is reasonable given that the Board is expected to end 2019-2020 with 23,638 students, which makes the estimated projection 2.1% over the current level.

	2018-2019	2019-2020	2019-2020	2020-2021
	Actual	Estimates	Forecast	Estimates
Junior Kindergarten	1,555	1,504	1,621	1,581
Senior Kindergarten	1,609	1,685	1,687	1,757
Grades 1-3	4,873	5,132	5,047	5,214
Grades 4-8	8,330	8,579	8,485	8,555
Total Elementary	16,367	16,900	16,840	17,107
Total Secondary	6,559	6,775	6,798	7,026
Total enrolment	22,926	23,675	23,638	24,133

Financial Snapshot: Staffing

Total staffing expenditures for 2020-2021 is projected to be \$255.6M (2019-2020: \$244.4M). This is an increase of \$11.2M, which represents an increase of 64 full time staff over the same period last year.

	2017-2018	2018-2019	2019-2020	2020-2021
	Actual	Actual	Estimates	Estimates

Revenue details

Enrolment is the main driver for Board funding. For this reason, management must be conservative, yet realistic in developing projections. The enrolment committees provide key analysis and insight as projection methodologies continue to be refined each year.

Grants for Student Needs (GSN)

The year over year change of \$15.6M (6.8%) is due to the following:

- Increase in enrolment
- Funding of centrally negotiated collective agreements
- Increase in Ministry benchmark amounts including, but not limited to:
 - Secondary class size
 - Supply teacher sick leave
 - Differentiated Special Education Needs Allocation (DSENA)
 - Temporary Accomodation
 - Operations and Maintenance
- Re-instatement of Learning Priorities Funding (LPF) now called Supports for Students Fund (SSF)

Targeted grants: Priorities and Partnership Funding (PPF)

The Ministry provides additional funding based on government priorities. Some PPFs are released accompanying the GSN, but more funds are typically made available throughout the year.

The Ministry announced \$1.4M (2019-2020: \$0.9M) in additional PPFs. Last year PPFs were delayed, which accounts for the difference year over year. This year, many prior year PPFs were moved into the GSN, signalling permanent funding for boards.

Other Revenues

Other revenues comprise a small part of the Board's overall budget, and as such are not a guarenteed source of funding. Management makes certain assumptions based on contracts or historical trending in order to estimate budgets.

The year over year change of \$1.2M (7.9%) is due to the following:

- Reduction in International student tuition fees and related revenues
- Reduction in Community Use rentals
- Increase in interest received

Expenditure details

Salary and benefit expenditures constitute 81.2% of the Board budget. These are determined by Ministry ratios, collective agreements, legislation and student needs. Due to imposed restrictions, managing changes effectively and efficiently can prove difficult.

Salary and benefits

The year over year change of \$11.2M (4.6%) is due to the following:

- Adjusted teacher and support staff complement to maintain ratios
- Additional staff supported through Supports for Students Fund
- Centrally negotiated collective agreements

Capital and debt

The year over year change of 0.5M (2.4%) is due to the following:

Additional computer hardware and software

While construction projects are in various stages, they are not significantly different than the prior year. Computer equipment was largely deferred in 2019-2020 due to budget constraints and technology replacement is anticipated due to distance learning which accounts for the year over year increase.

Student transportation

The year over year change of \$0.5M (6.9%) is due to the following:

- Centrally negotiated collective agreements
- Increase in bus operator contracts

Other expenditures

Other expenditures are comprised of operational expenses such as facility costs, program related resource and administrative expenditures outside of salary and benefits.

The year over year change of \$3.7M (13.1%) is due to the following:

- Increase in facility contracts
- Increase in computer technology
- Decrease in utility budget

25

Accumulated Surpluses

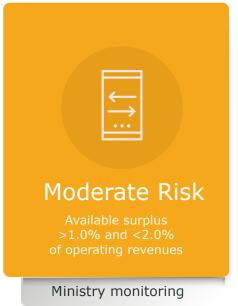

Accumulated surpluses are amounts from prior years which have no external restrictions. Most amounts are apportioned internally, but all are available for use by the Board.

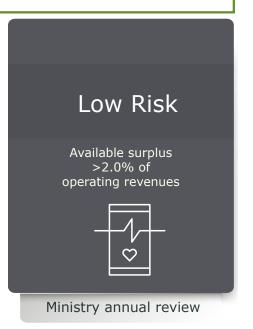

The Ministry assesses board health based on the amount of accumulated surpluses maintained.

Board Health: 2.4%

	2017-2018	2018-2019	2019-2020	2020-2021

Other Third Party: Capital	205,720

Energy Conservation Plan

A New Energy Conservation Model

Over the past decade, the Board has had a keen interest in energy conservation. This interest has been driven in part by regulations requiring school boards to set targets for energy reduction, financial incentives, and because of sharply increasing utility rates.

Any successes achieved were attributable to renewal projects – replacing old building components at the end of their useful life with new more efficient models (for example windows, doors, roofs, and boilers). Conservation efforts to date have not yielded the results originally envisioned when the function was created.

Data

During 2019, a third-party consultant was hired to conduct energy audits at four WCDSB Schools: St. Benedict, St. Augustine, St. Teresa of Calcutta, and St. Dominic.

The audits revealed opportunities for reductions in utility costs and usage which can be implemented at all schools.

These savings come from three different categories:

Active Usage Management

Through active management of building occupancy, changes can be made to heating and cooling settings when buildings are not in use. Currently, automated standards are used which consider general usage of schools during the day, evening, and during the summer.

Portable Energy Consumption

There are several opportunities for savings in portables, in particular those that the Board owns which are older. Some of these opportunities include installing active energy monitoring modules, modifying HVAC systems with a different style of variable speed fan, undertaking minor repairs to keep cold weather out, and more closely monitoring building controls.

Building Automation Systems (BAS) Optimization

Responding actively to HVAC performance related issues as highlighted by the Board's BAS alerting system, making adjustments to optimize system performance, and carrying out other repairs and retrofits would yield significant savings in utility budgets.

Extrapolating the findings at the four audited schools results in an estimated annual savings of \$1,820,000.

Secondary Analysis

Sustainable Schools/Enerlife Consulting annually prepares a report on energy consumption by school board. At a high level, publicly available utility consumption data is analyzed, and a list of top performing school boards is generated for public consumption. Based on the performance of top-ranking school boards as a benchmark, the consultant calculates an expected savings amount, assuming that all boards can perform at a high level. Adjustments are made to normalize weather and incorporate the type of heating used at each site (i.e. natural gas, geothermal, electricity).

While it should be noted that Enerlife has generated their report with the intent of attracting business, it does provide a useful secondary check to confirm assumptions around potential savings available.

Total savings as calculated by Sustainable Schools/Enerlife Consulting are estimated at \$1.7M.

There are many generalizations and assumptions in the calculation of Enerlife's savings target, but the result does support that significant savings are available.

Projected Results

The focus areas noted above are not big infrastructure projects like replacing boilers and other equipment. These savings come from optimizing current control systems and usage patterns. In order to achieve savings in utility budgets, a team of dedicated experts will be added to actively manage systems and projects focused on the areas noted above. Further, a budget for repairs and maintenance will be added to undertake the required work.

The Projected financial outcome is outlined below:

	Conservative	Expected	Unlikely
Gross savings	\$ 1,820,000	\$ 1,820,000	\$ 1,820,000
Discount @ 50%	(910,000)	-	-
Discount @ 25%	-	(455,000)	-
Available savings	\$ 910,000	\$ 1,365,000	\$ 1,820,000
Salaries	(300,000)	(300,000)	(300,000)
Retrofit/repairs	(300,000)	(300,000)	(300,000)
Net impact	\$ 310,000	\$ 765,000	\$ 1,220,000

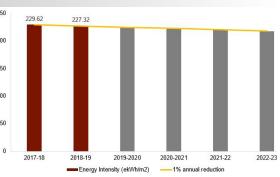

Progress and savings will be tracked and shared as part of the annual Energy Conservation and Demand Management plan. It is expected that the new program would reduce energy consumption and greenhouse gas emissions, allowing the Board to meet its public commitments to Sustainable Waterloo Region, and fulfill the Board's promise to implement the teachings of Laudato Si'.

Environmental Sustainability

Energy Conservation

The Board hopes to reduce gas emission by 20% by 2024. While some progress towards this goal has been achieved, weather patterns as well as enrolment growth presents challenges.

Energy audits are performed to allow the Board to reduce overall maintenance costs and energy consumption. Real-time water meter sensors monitor high water usage which helps the Board to quickly identify and action leaks which may be occurring.

EcoSchools

Ontario EcoSchools is a certification program for grades K-12 that helps school communities develop both ecological literacy and practices to become environmentally responsible and reduce their footprint.

The Board is one of six Ontario boards to have 100% certification. This accomplishment saw all schools that certified before the deadline receive \$300 to supplement their environmental initiatives.

Waste Reduction

To reduce waste the Board encourages all secondary students to donate their uniforms annually for use by new students. Also, at present, there are 37 schools diverting their waste through an organics program which diverts waste from the landfill.

32

Pope Francis Award for Ecological Leadership

This award was created in 2018-2019 and annually recognizes up to three school staff members or volunteers who actively demonstrate a love for creation and care for the planet in their interactions and leadership for environmental projects within the schools.

Experiential Learning

Community Connected Programs

These programs are offered in partnership with the Business Education Partnership of Waterloo Region to provide opportunities for students to connect with local employers who inform, inspire and positively influence students' career development.

Co-Operative Education

The Board continues to expand experiential learning opportunities for students which offers a stepping-stone to a lifetime of hands on experience and learning.

Women in Trades

Funding was recieved through the Ontario Youth Apprenticeship Program (OYAP) specifically to target and introduce female students to the trades. The Board was pleased with the uptake of this unique program for female students which saw:

- 300 students attend the young women's "Build A Dream" event
- 31 students participate in the "Jill of All Trades" event
- 55 students participate in the "Linamar Young Women's Exploaration" event

Specialist High Skills Major (SHSM) Programs

The Board offers 50 SHSM programs across the 5 secondary schools. Over 1,300 grade 11 and 12 students registered for the program which represents a 30% board-wide senior enrolment. This robust program exceeds the provincial average of 18% and the Ministry target of 25%.

The "Red Seal" rate for the SHSM students was 60% in 2018-2019. This reflects a 17% increase over the prior year, which the Board has diligently worked towards helping students attain the prestigious seal.

Explanations of Material Grant Variances

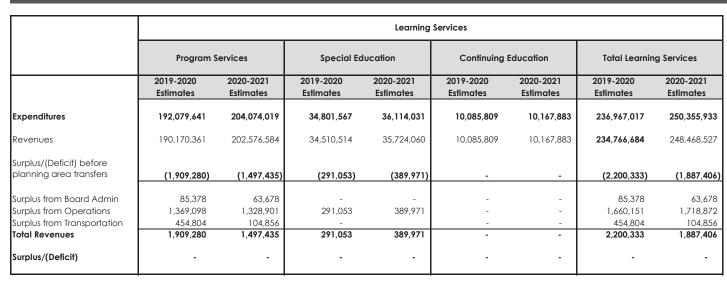

- a. Increase due to enrolment, provincially negotiated labour enhancements and revised benchmarks
- b. Increase due to table amount amendment
- c. Decrease due to timing of construction projects
- d. Decrease due to lower interest received in relation to aging long term debt and no new debt issuance
- e. Increase due to timing of Priorities and Partnership Funding announcements
- f. Decrease due to sale of property that earned lease revenue
- g. Increase anticipated due to timing of cash on hand and trending
 h. Decrease due to anticipated reduction of International Students returning in September due to COVID-19
 i. Decrease due to associated homestay and custodial fees of International Students

	 Operating Budget Board Administration Student Transportation Operations and Maintenance Learning Services

The Board presents revenues and expenditures separated into capital and operating components, as required by the Ministry and Board policy. This separation is necessary since the funding sources each have specific rules for use, and reporting requirements.

The capital budget is comprised on interest on long term debt and amortization of capital assets. The cost of assets are reflected on the balance sheet, and is not reported for budgeting purposes. Instead, amortization of assets is shown as the expenditure over the expected life of the asset.

2019-2020

Estimates

-Amortization of capital assets

92.9% of debt principal and interest payments are supported by the Ministry through the GSN. The remaining 7.1% relates to projects that are internally supported through draws on accumulated surpluses.

There are several sources of capital funding available to the Board. The Long Term Accommodation Plan (LTAP) plays a key role in determining upcoming projects based on needs. Occasionally, the Ministry provides targeted

capital funding which helps the Board to undertake projects that were not planned.

The following capital projects are expected to be supported in the budget:

	Land	Building	Ot	her	Total
Renewal and SCI projects	\$ -	\$ 12,099,935	\$	- \$	\$ 12,099,935
Grand River South	9,600,000	-		-	9,600,000

42

Operating Budget

The operating budget reflects the day-to-day operating costs of the Board for which the main driver for funding is enrolment. The Ministry places restrictions on the use of certain funding such as Special Education and Board Administration, but the Board is able to exercise some discretion in the delivery of programs within these allocations.

The Board plans expenditures based on legislative requirements, contracts, Board policy and known infrastrucure needs. Management reviews annual spending by planning area to ensure funding can adequately support initiatives.

Total	\$ 8,105,592	\$ 9,008,470	\$ 9,151,151	\$ 9,512,711

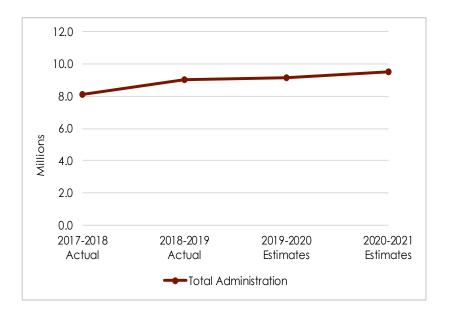

Student Transportation

Student Transportation for all students in the Region is co-ordinated through a joint consortium, Student Transportation Services of Waterloo Region (STSWR). The budget represents the Board portion of staff and departmental costs as well as bus and taxi operator costs to safely transport students from home to school.

	2017-2018	2018-2019	2019-2020	2020-2021
Expenditure Category	Actual	Actual	Estimates	Estimates
Direct transportation	\$ 5,110,295	\$ 5,353,559	\$ 5,725,991	\$ 6,140,809
STSWR administration	943,603	1,013,370	1,012,273	1,010,930
School travel planning	16,412	15,316	26,661	82,665
Total	\$ 6,070,310	\$ 6,382,244	\$ 6,764,925	\$ 7,234,404

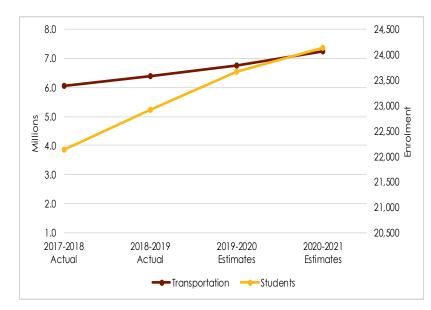

The year over year change of 0.4M (4.0%) is due to the following:

- Centrally negotiated collective agreements and additional staff requirements
- Increase in WSIB, contracts and legal fees
- Reduction due to reallocation of telephony and purchasing costs

The year over year change of \$0.5M (6.9%) is due to the following:

- Centrally negotiated collective agreements
- Increase in bus operator contracts
- Increase in continued safety initiatives including seat belt pilot

Operations and Maintenance

Operations and maintenance envelops the Facility Services department which is comprised of custodial, construction and maintenance staff, energy conservation, sustainability, community use of schools, and department budgets. They are responsible for the structural condition, operation and cleanliness of facilities. A welcoming, clean and safe environment contributes to the well-being of staff and students.

	2017-2018	2018-2019	2019-2020	2020-2021

Total	\$223,243,718	236,873,320	\$236,967,017	\$250,355,933

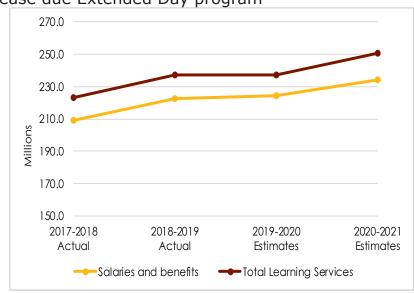

The year over year change of \$1.1M (4.0%) is due to the following:

- Centrally negotiated collective agreements and additional staff requirements
- Increase in portable costs, contracts and cleaning supplies
- Reduction in utilities based on trending and to offset staff to support ECDMP

The year over year change of \$13.4M (5.7%) is due to the following:

- Centrally negotiated collective agreements and additional staff requirements
- Provision for COVID-19 related costs
- Increase in computer hardware and software
- Expansion of French Immersion program
- Increase due Extended Day program

Learning Services: Program Services

Program Services is comprised of salary and benefit costs for teachers, support staff, and consultants who directly impact day school operations. They are responsible for curriculum delivery and must adhere to Ministry guidelines and Board priorities. This can present challenges given many initiatives and limited resources.

Learning Services: Student Services

Student Services is comprised of salary and benefit costs for teachers, support staff and consultants who support special education programming. The Board believes that all children are capable of learning, understanding that each child develops, and learns differently based on their own strengths and needs.

	2017-2018	2018-2019	2019-2020	2020-2021
Expenditure Category	Actual	Actual	Estimates	Estimates
Salaries and benefits	\$ 32,340,245	\$ 35,059,567	\$ 33,574,409	34,902,257
Textbooks and resources	655,506	565,053	320,517	265,981
Contracts and services	98,892	222,129	225,000	240,993
Staff development & other	581,591	309,146	681,641	704,800
Total	\$ 33,676,233	\$ 36,155,894	\$ 34,801,567	\$ 36,114,031

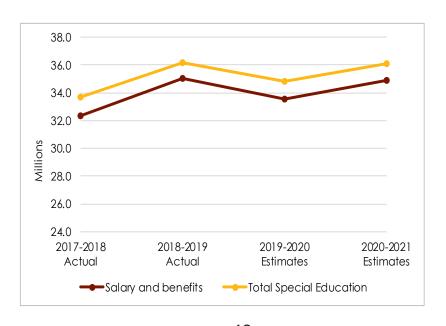

The year over year change of \$12.0M (6.3%) is due to the following:

- Centrally negotiated collective agreements and additional staff requirements
- Provision for COVID-19 related costs
- Increase in computer hardware and software
- Expansion of French Immersion program
- Increase due Extended Day program

The year over year change of \$1.3M (3.8%) is due to the following:

- Centrally negotiated collective agreements
- Additional staff due to student need and, reinstatement of Supports for Student Funding

Continuing Education

Continuing Education is comprised of staff and operational costs to operate one of the largest programs in the province. Programming caters to learners over 18, focusing on language development for new Canadians, academic credit courses and specialzed certificate programs. Overall, operations are required to be break-even.

	2017-2018	2018-2019	2019-2020	2020-2021
Expenditure Category	Actual	Actual	Estimates	Estimates
Salaries and benefits	\$ 7,825,057	\$ 9,643,143	\$ 9,006,826	\$ 8,981,951
Contracts and supplies	979,890	1,155,605	1,078,983	1,185,932
Total	\$ 8,804,947	\$ 10,798,748	\$ 10,085,809	\$10,167,883

Learning Services: School Budgets

School budgets are allocated largely based on enrolment. It is the responsibility of the School Administrator to allocate funds as needed for the school community. The funds are used to run the day-to-day operations of the school from classroom resources to office supplies. These are separate and distinct from School Generated Funds.

This year, school budgets have been amended to incorporate the Educational Opportunity Indices (EOI), formerly the Modified Social Risk Index (MSRI), to provide additional funding for our socio-economically vulnerable schools. This change has not impacted the total funding provided to schools but did change the amounts each school will receive.

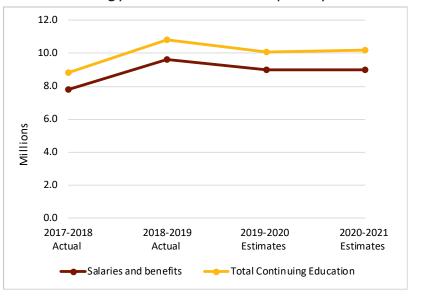

School budgets no longer need to cover school furniture and drapery. Any furniture and drapery needs will be covered by a new central fund. This change will allow schools to focus on the academic and site-based needs.

	2017-2018	2018-2019	2019-2020	2020-2021
	Actual	Actual	Estimates	Estimates
Elementary	\$ 1,690,233	\$ 1,625,575	\$ 1,500,259	\$ 1,520,765
Secondary	976,931	1,042,959	987,790	996,801
Total	\$ 2,667,164	\$ 2,668,534	\$ 2,488,049	\$ 2,517,566

50

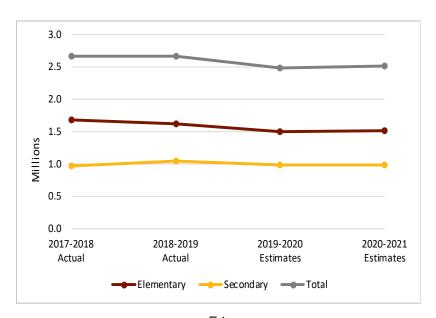

The year over year change of \$0.1M (0.8%) is due to the following:

- Centrally negotiated collective agreements
- Additional Vice Principal and Human Resources support
- Increased facility costs due to St. Francis re-opening
- Reduction of technology investments over prior year

The year over year change of \$0.01M (1.2%) is due to the following:

- Increase in enrolment
- Increase due to removal of 2019-2020 mandatory 10% savings measure
- Decrease in allocation for new centrally purchased furniture and drapery

Policy Statement:

Financial Planning for any fiscal year or the remaining part of any fiscal year shall not deviate materially from Board's Ends priorities, risk fiscal jeopardy, violate the Education Act or Ministry of Education Guidelines, or fail to be derived from a multi-year plan.

Further, without limiting the scope of the foregoing, the CEO shall not:

- 1. Develop a budget without conducting a formal process for solicit input on the needs and priorities of the system
- 2. Develop a budget without employing credible projection of revenues and expenses, separtation of capital and operational items, cash flow, and disclosing planning assumptions
- 3. Develop a budget that does not include trend analysis and historical comparators
- 4. Plan the expenditure in any fiscal year of more funds than are conservatively projected to be received in that period
- 5. Provide less for board perogatives during the year than is set forth in the Cost of Governance policy
- 6. Present a budget that does not allow sufficient time for decision making
- 7. Present a budget that cannot be readily understood by persons without a financial/education background

Appendix II:

Planning Assumptions

External requirements include:

- Compliance with the Education Act and Public Sector Accounting Board (PSAB) standards
- Achievement and maintenance of class size ratios
- Administration and governance envelope cannot be overspent
- Targeted funds received must be used for the intended initiatives
- Separation of operating and capital funds
- Special Education funding must be spent on related activities or placed into deferred revenues for future use, and
- Accumulated surpluses, to a maximum amount of 1.0% of operating revenue, may be used to balance the budget

Internal requirements include:

- Reductions considered must minimize student impact
- A conservative enrolment projection must be used
- Compliance with Board Policy IV007: Financial Planning/Budgeting, contracts and collective agreements
- Staff and student safety must not be compromised
- Non-committed accumulated surpluses will not be used to balance the budget
- International Education net revenues will support specific initiatives, and
- The presented budget must be both realistic and balanced

The Board uses the expertise of a Budget Advisory Committee which is comprised of trustees, community members, senior administration and principal representatives. This committee is primarily responsible for approving the on-line public consultation survey questions and determining enrolment.

The on-line public survey is a joint effort between senior administration and the Budget Advisory Committee. The challenge faced by the Board during consultation is that there are very few discretionary funds available, resulting in little flexibility within the budget.

This year, the survey used the Thought Exchange survey tool in order to obtain authentic stakeholder feedback on 2 key questions:

- Understanding that the Board priorities are intended to support Graduation rates, Well-Being and Faith Formation, please identify what you feel is the MOST important area for investment within the budget in order to achieve our priorities.
- 2. Understanding that the Board priorities are intended to support Graduation rates, Well-Being and Faith Formation, where do you think the Board could obtain savings or efficiencies?

The Board collectively received 597 participant responses on both Thought Exchanges (2019-2020: 823). Selected results can be found on on the subsequent pages.

The results of the survey were reviewed by both the Budget Advisory Committee and senior administration. Budget holders incorporated feedback received into their budget submissions as applicable.

Appendix III:

Budget Consultation

Thought Exchange #1:

Understanding that the Board priorities are intended to support Graduation rates, Well-Being and Faith Formation, please identify what you feel is the MOST important area for investment within the budget in order to achieve our priorities.

Participants refers to the number of individuals that accessed the survey. **Thoughts** refer the unique number of ideas submitted by participants. **Ratings** refer to the total "stars" applied to show support for a unique thought.

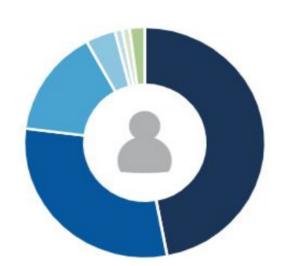

498 Participants

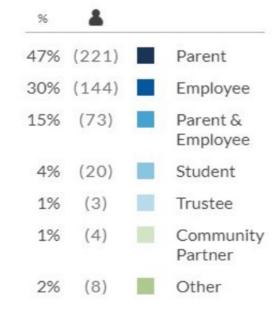

291 Thoughts

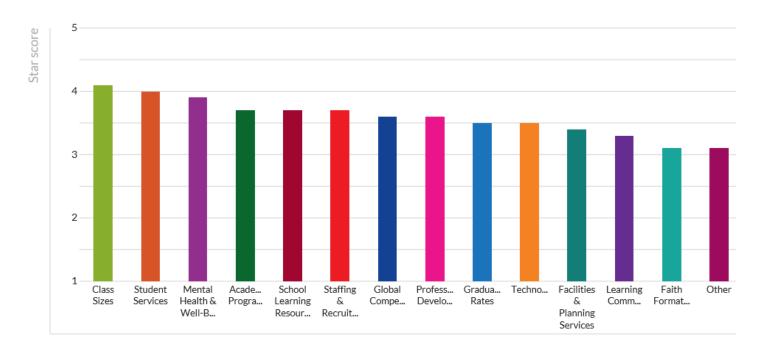

Demographics: What is your relationship with the Board?

The following themes emerged as the most important (greatest number of star ratings) and are provided below. The results are not surprising and show alignment to the Multi-Year Strategic Plan (MYSP) and the priorities set out within.

38

Appendix III:

Budget Consultation

The top 10 thoughts filtered from the above themes from stakeholders are below. The significance of the star ratings indicate that the thought is one the resonated with many stakeholders.

Manageable class sizes.

Students receive more personalized learning and support in smaller classrooms. The teacher is able to spend time with each student and address needs.

Have more supports in the classroom (EAs, YCs).

Violence is at an all time high (verbal and physical), and this is affecting the emotional and physical well being of all students.

Well-Being

If our students and staff are not well physically, emotionally, socially and spiritually, we will be extremely limited in everything else.

Mental health

Students can't learn if there is some big issue going on in their life

small class sizes

Better for teachers to reach every student

More Support

We need more EAs in school to not only work with behavioural students, but to support those with academic needs.

Maintaining low class sizes

By having smaller class sizes students will be able to have more support in their learning

Student Support in the Class

Some students are missing the support they need in the class, due to their unique needs. This then affects the whole class. More support staff needed.

Offering the support of mental health professionals to teachers & students.

If students can have support in dealing with big & smaller struggles now, it helps to curb the occurrence of mental illness struggles later in life.

Well-Being should be a priority as we are seeing significant rates of depression and related childhood illnesses in the schools. It's important because when kids are stressed, depressed and anxious it's hard for them to learn and meet their fullest potential.

Appendix III: Budget Consultation

Thought Exchange #2:

Understanding that the Board priorities are intended to support Graduation rates, Well-Being and Faith Formation, where do you think the Board could obtain savings or efficiencies?

Participants refers to the number of individuals that accessed the survey. **Thoughts** refer the unique number of ideas submitted by participants. **Ratings** refer to the total "stars" applied to show support for a unique thought.

99 Participants

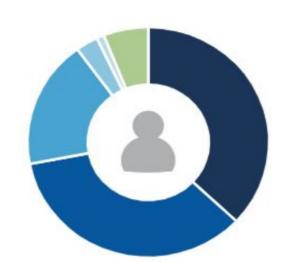

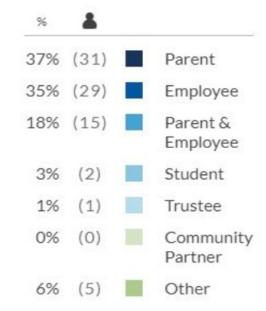

60 Thoughts

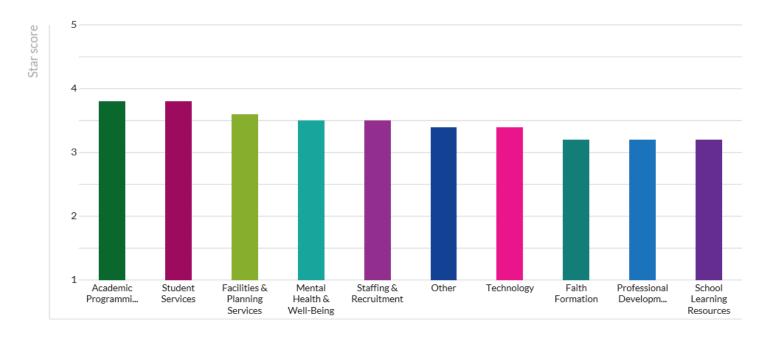

1,038 Ratings

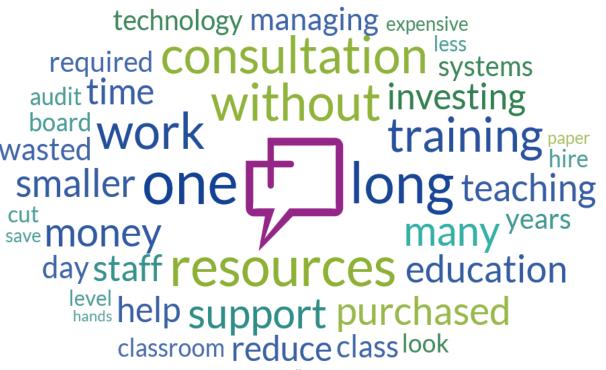

Demographics: What is your relationship with the Board?

The following themes emerged as the most important (greatest number of star ratings) and are provided below. The results provide management with areas to be able to investigate the ability to realize savings or efficiencies.

overall

Appendix III:

Budget Consultation

The top 10 thoughts that received the highest star ratings to stakeholders are below. The significance of the star ratings indicate that the thought is one the resonated with many stakeholders.

Make purchases in consultation with school staff.

Redundant kits and professional resources that are going unused continue to be purchased. Give teachers resources they want.

3.9 * * * * * (32 *)

Ranked #1 of 10

Change the building temperature by one degree - lower in the winter and higher in the summer

It decreases pollution and saves money.

Reduce unnecessary use of utilities (gas, electricity, water) and waste. When buildings are not working properly they use more than they need.

More support staff

In 18 years the needs have only increased but academic needs are being pushed aside by behavioural ones. The only support seems to go there.

We need more E.A. support.

I have students who would graduate and become tax payers if they were not left for long periods of time without my attention. Nonviolent=no help

I realize the board doesn't have the power to implement this, but I think we should advocate for the elimination of EQAO testing. It eats up far too much money, time and resources. I already trust that the board is doing what it can to give my children the best education.

Inclusion only works with proper support- it is a joke to say that we are doing this well.

One classroom could have 50% or more students with mental health issues, physical

students with mental health issues, physical needs, behavioural needs, and academic needswith one adult?

Too many resources are bought for every school without teacher buy-in. They are collecting dust.

Without training and/or ownership of resources, teachers will not use them. I see a flurry on the day of introduction then nothing.

Video Conferencing for training and meetings Utilize Video conferencing for meetings to eliminate travel time and costs, reduce carbon foot print, make training meetings accessible from anywhere

Use caution when purchasing technology that quickly becomes outdated.

Students are not learning how to use technology appropriately.

Appendix IX: Glossary of commonly used terms

Revenues

Grants for Student Needs (GSN): GSN revenue is the main funding source for the Board and comes from the Ministry of Education. It is calculated based on formulas associated with average daily student enrolment (ADE), square footage, and salary and benefits benchmarks. There are numerous grants that comprise the overall GSN.

Targeted grants: Ministry of Education grants and Language Instruction for Newcomers (LINC), which are outside the GSN, are provided to address particular government initiatives. These grants may be one-time or may continue for several years. Generally, the Ministry will pilot funding through a targeted grant and will move the funding into the GSN if it is deemed to be a permanent initiative.

Local Municipal taxation: Local Municipal taxation is a component of cash flow for education funding that is generated by the collection of property taxes from residential and commercial properties within the Region. The Board does not have any control over the calculation or collection of these funds.

Tuition fees: Tuition fees consist of fees from international students as well as students and adults attending the Board's adult education centers.

Other revenues: Other revenues refer to all other revenue received by the Board. These amounts are not a significant source of funding and are comprised primarily of Extended Day Program fees, interest income, daycare rental fees and community use of schools rentals.

Capital

Long term debt: Long term debt refers to interest charges relating to the long term debt held by the Board. This interest included in the budget is based on known debt at the time of preparation. The Ministry has assumed all Board approved capital projects and therefore these interest costs are covered by an offsetting grant.

Minor tangible capital assets (mTCA): The capital budget contains depreciation on assets held by the Board, such as buildings and equipment. mTCA refers to all assets, with the exception of building construction, renovations, land and land improvements. The most significant assets within this classification are computers, vehicles, and small equipment. The Board must set aside an amount equal to the full purchase price of the mTCA in order to cover the future cost of depreciation.

Building additions and renovations: Buildings are the highest value asset the Board owns. This portion of the capital budget is determined by Ministry approved projects and smaller projects the Board may elect to undertake. The Long Term Accommodation Plan and the annual plan for school renewal serve as a comprehensive and sustainable fore-

68

Expenditures

Salaries and benefits: Expenditures related to the cost for all staff and trustees. These costs are based on collective agreements, legislation, terms and conditions of employment, and employment contracts. Benefits refer to both legislated taxes such as EI, CPP, EHT, and as well as OMERS or Employee Life Health Trust (ELHT) costs.

School operations and maintenance: Expenditures are costs related to custodial and maintenance supplies for all sites as well as lease and rental costs for facilities and equipment.

Student transportation: Expenditures associated with transporting eligible students between home and school. This cost is reflective of the Board's share of the jointly operated transportation consortium, Student Transportation Services of Waterloo Region (STSWR).

Supplies: Expenditures related to educational learning materials such as textbooks and other classroom materials required to teach or for administrative purposes.

Fees and contracts: Expenditures consisting of external services required to meet obligations such as audit, legal, professional fees, software fees and contracts.

Utilities: Expenditures required to operate buildings, such as electricity, gas and water.

69

Technology: Expenditures related to information technology for both students and staff.

Staff development: Expenditures associated with providing internal or external professional development to staff.

Appendix X:

Board of Trustees and Senior Administration

Board of Trustees

The Board of Trustees consists of nine elected Trustees and two student Trustees. The Board of Trustees for 2019-2020, when budget deliberations occurred, was comprised of the following individuals:

Bill Conway Cambridge/North Dumfries Chair of the Board Waterloo/Wellesley/Woolwich Vice Chair of the Board

Manuel da Silva Cambridge/North Dumfries

Kevin Dupuis Kitchener/Wilmot

Jeanne Gravelle Waterloo/Wellesley/Woolwich Wendy Price Cambridge/North Dumfries

Greg Reitzel Kitchener/Wilmot
Brian Schmalz Kitchener/Wilmot
Tracey Weiler Kitchener/Wilmot

Meghan Cymbron Student Trustee
Rori Schaefer Student Trustee

Detailed information about the Board of Trustees, including contact information, board agendas, minutes, and policies is online at: https://www.wcdsb.ca/about-us/trustees

Senior Administration

Senior administration is lead by the Director of Education who reports directly to the Board of Trustees.

MEMORANDUM

TO: Chairpersons – All Catholic District School Boards

CC: Directors of Education

FROM: Patrick J. Daly, President

SUBJECT: OIEC 2020 Global Catholic Education Report - "Achievements and Challenges at a

Time of Crisis"

I would like to thank each of you for your attendance at and participation during the June 27, 2020 90th Anniversary Ontario Catholic School Trustees' Association Annual General Meeting. Although we were unable to meet in person, it was crucially important to complete the work of the Association consistent with our by-laws and to connect in some way as those called to the governance of publicly funded Catholic school boards/systems.

I want to recognize the OCSTA Catholic Education and Trustee Enrichment Committee who, under the leadership of Chair Todd Lalonde oversaw the planning of the AGM. I most especially want to thank the OCSTA staff for their tireless work planning and coordinating our meeting package and the countless issues related to holding a virtual annual general meeting. We are truly blessed with the quality, commitment and goodness of the men and women who serve in the various OCSTA staff positions.

I was struck by the fact that as I reflected on our AGM over the remainder of the weekend, I received the attached report from the International Office of Catholic Education. You will note the title of the OIEC 2020 Global Catholic Education Report is, "Achievements and Challenges at a Time of Crisis". The title and content of the report serves as a reminder for me that as leaders in Catholic Education in our communities and Province we as trustees are entrusted to be very aware and mindful of current and future challenges and threats. We are equally responsible to promote the precious gift of publicly funded Catholic Education in Ontario and to celebrate the countless achievements and blessings we see happening in our schools.

At the centre of these blessings is of course the person of Jesus and the gift of Catholic Christian community. As we celebrate achievements and meet current and future challenges, let us continue to place priority on the strengthening of relationships with each other and within our schools, systems and broader community.

I hope you enjoy reading the report.

c.c. Nick Milanetti

MEMORANDUM

TO: Chairpersons and Directors of Education

- All Catholic District School Boards

FROM: Nick Milanetti, Executive Director

SUBJECT: Release of Ontario Government's Elementary Math Curriculum

On Tuesday, June 23, 2020 the Ontario government released the province's new <u>elementary math</u> curriculum.

The new mathematics curriculum is part of the government's <u>four-year math strategy</u> announced last summer that is designed to:

- improve student performance in math
- help students solve everyday math problems
- increase students' employability to attain the jobs of the future

Ontario's elementary math curriculum was last updated in 2005. The new curriculum embraces a 'back-to-basics' approach, with an emphasis on fundamental math concepts and skills. The curriculum also includes components such as financial literacy, coding and personal budgeting.

Key Facts Included in the Government's News Release

- ➤ The elementary report card will be updated to align with the new curriculum and provide an overall mark in math, along with comments on the different strands of the curriculum to give parents a better overall assessment of how their child is doing.
- ➤ Grade 3 and 6 students will not participate in Education Quality and Accountability Office (EQAO) assessments during the 2020-21 school year, as the ministry works to align the assessments with the new curriculum. Students in Grade 9 and Grade 10 will continue to take the mathematics assessment and Ontario Secondary School Literacy Test (OSSLT), respectively.

- ➤ The provincial government will provide classroom-ready resources for each grade, as well as indepth virtual training for teachers, principals and board staff.
- ➤ Professional development investments aligned to this announcement includes \$10 million for board-based math learning leads, \$15 million for school-based math learning facilitators, and \$15 million to support release time for educators to become expertly familiar with the curriculum.

July 2, 2020

MEMORANDUM

TO: Chairpersons and Directors of Education

All Catholic District School Boards

FROM: Patrick J. Daly, President

SUBJECT: Ontario Ombudsman's 2019-2020 Annual Report

On Tuesday June 30, 2020 the Ontario Ombudsman released his annual report for the 2019-2020 year. Commenting on the current context of the COVID-19 pandemic the Ombudsman notes, "the profound shock to our public infrastructure and systems will provide countless lessons, as well as opportunities to strengthen them in future". The office handled 26,423 complaints and inquiries about broader public sector services in fiscal 2019-2020.

Highlights with respect to school boards include the following:

Overall Summary:

- In 2019-2020, complaints about school boards and school authorities **declined** to **732**, compared to 873 in the previous year and 871 in 2017-2018. The most common complaint areas continued to be the conduct of school board staff, pupil safety and special education. The Office also received complaints about admission of students into certain programs, as well as procurement and transportation.
- Complaints break down as follows: 95 English public boards, 159 English Catholic boards, 30 French public boards, 20 French Catholic boards, 5 School authorities.

Impact of COVID-19:

- Received many complaints from parents and students about such issues as the quality and accessibility of at-home learning.
- Conducted research into the communications and resources provided by educational
 institutions in response to the pandemic, and provided information to complainants who had
 trouble reaching education officials.

Special Education:

- Concerns about special education programs and services for students is a continued source of issues reviewed by the Ombudsman's office.
- Resolved a case where a parent who was refused an identification, placement and review committee (IPRC) to assess her daughter's giftedness in kindergarten. She was told that the school board did not do IPRCs before Grade 3. We pointed out to the board that, under the *Education Act*, it did not have the authority to deny a parent's request for an IPRC. The board acknowledged the error and took steps to clarify the relevant parts of the legislation with its administrators.

School Board Governance

The report highlights a number of issues regarding the governance:

- 2019-2020, we continued to monitor one such case in which the complainant alleged that a trustee had used board resources during the election, giving them an unfair advantage over other candidates. The board's integrity commissioner found there were insufficient grounds to continue the investigation, but made recommendations to clarify what trustees can and cannot do during election periods. These recommendations were implemented.
- The Ombudsman continues to encourage school boards to appoint integrity commissioners as an independent and impartial local mechanism for handling complaints about trustees. To date, the Ombudsman office are aware of five English public school boards that have integrity commissioners: Toronto, York Region, Peel, Durham, and Thames Valley.

For further information see the attached link to the annual report and related background reports.

OCSTA 90th AGM

On June 27th, OCSTA hosted the 90th Annual General Meeting to discuss members' resolutions and conduct annual elections. For the first time in 90 years OCSTA members did not meet in person, but met "virtually" using an online, webinar platform. This format ensured that the business of the

Association could continue while adhering to provincial restrictions that are in place to help curb the spread of the current pandemic. Over 180 delegates participated in this event.

Please see below the official election announcement and news release that was distributed on June 28th.

Patrick J. Daly, OCSTA President

Michael Bellmore, OCSTA Vice-President

Toronto – June 28, 2020 – The Ontario Catholic School Trustees' Association (OCSTA) is pleased to announce that **Patrick J. Daly,** Chair of the Hamilton-Wentworth Catholic District School Board, was acclaimed as President of OCSTA at the Association's 90th Annual General Meeting on June 27.

"Throughout my life I have been blessed to witness the tireless work, commitment to cause, sacrifice and goodness of those who have accepted the call to serve as locally elected Catholic School Trustees. I am honoured to represent and serve with such women and men today and united with

them pledge to work to protect and promote the precious gift of publicly funded Catholic Education," said President Daly.

A former President of OCSTA, Patrick Daly is noted for his leadership in obtaining equity in education funding for all students in Ontario. The legislation behind this achievement was ultimately upheld by the Supreme Court of Canada.

"During these unprecedented times in publicly funded education and in the life of our province we see people of good will coming together to overcome the challenges of our day. Over the past 90 years, in times of challenge OCSTA on behalf of its member Catholic School Boards has searched for opportunities and working with governments and other provincial associations has significantly contributed to the faith formation, academic excellence and well-being of students/children. Rooted in our faith Catholic Schools have and continue to promote the truth that *all* children are created equal and in the image of our loving God. They have celebrated and been strengthened by the diversity in our schools and province. In partnership with parents, parishes and dedicated teachers and other staff the OCSTA and its 29-member Catholic School boards remain committed to continuing to enable all children to realize their fullness of humanity of which Jesus Christ is the model," said President Daly.

Serving with President Daly on the OCSTA executive is Sudbury Catholic District School Board Chair, **Michael Bellmore**, who was elected Vice-President, and OCSTA's immediate Past-President, Bruce-Grey Catholic District School Board Trustee, Beverley Eckensweiler.
"I would like to recognize and thank Past President Beverley Eckensweiler and outgoing Vice-President Michelle Griepsma for their strong leadership, tremendous service and constant Christian Witness," added President Daly.

The following trustees were appointed to the OCSTA Board of Directors for the 2020-2022 term:

Region 6 – Toronto CDSB: Trustee Nancy Crawford and Trustee Garry Tanuan

Region 7 – Dufferin-Peel CDSB: Chair Sharon Hobin and Trustee Luz del Rosario

Region 8 – York CDSB: Trustee Carol Cotton

Region 12 – Ottawa CSB: Chair Mark Mullan

New Region 13 - Halton CDSB: Chair Vincent lantomasi

The complete list of trustees on OCSTA's Board of Directors can be viewed at https://www.ocsta.on.ca/ocsta-board-of-directors.

Niagara Catholic District School Board Trustee, Leanne Prince was elected by the membership to represent OCSTA on the Board of Directors for the Canadian Catholic School Trustees' Association. The Ontario Catholic School Trustees' Association is the provincial voice for publicly funded Catholic education. Founded in 1930, OCSTA represents the interests of Catholic school boards that collectively educates approximately 600,000 students in Ontario, from Junior Kindergarten to Grade 12.

Ontario's School Reopening Plans

2020-21 GSNs

Ontario Education Services Corporation

The Ontario Education Services Corporation that is governed by all four of Ontario's Trustee

Association's and charged with the mandate of serving the needs of school boards, has relaunched
the Trustee Professional Development Program.

New to the program is a "Certificate of Completion feature. This feature allows trustees to track their progress through the modules and then request a certificate once they have completed the program. As we transition into the summer months and boards continue to manage unprecedented challenges, we invite you to complete this governance training. The new program website will allow you to track your progress through the modules – each one has been recently updated with the latest legislation, education policy and research. When you've completed the program, you may

apply for a Certificate of Completion. OESC will certify eligible trustees in recognition of their commitment to leadership and the good governance of Ontario's education system.

OESC, in partnership with the four trustee associations and CODE, is committed to supporting Ontario's school boards by developing effective and engaging professional learning opportunities. To learn more about our certification program and professional learning, please contact Kendra Tedford Devine at kdevine@oesc-cseo.org.

CDSB Innovation Centre

Recognizing the distinctive nature of Catholic education and both the challenges and opportunities of online learning, CDSBs have and continue to develop resources to support the virtual learning framework in ways that are aligned to the Catholic education focus on the development of the whole child (academic, spiritual, physical and social aspects).

To help promote and share the best practices of our Catholic School boards, OCSTA has established on the provincial website a center for CDSB Innovation with respect to current virtual learning initiatives.

OCSTA Responds to the Release of the 2020-21 GSNs

As we continue to review the 2020-21 Grants for Student Needs (GSNs), we welcome the overall 2.0% increase in education funding this year. OCSTA has consistently emphasized in our submissions to the government in recent months, the need for increased investments to improve mental health supports to students, reinforce the infrastructure needed for technology, respond to boards' capital needs and address the shortfalls in special education funding. Today's announcement is a step in that direction.

We will continue our ongoing discussions with the government to ensure that education needs are met in the current environment. Delivering education services under the restrictions and necessary precautions of this pandemic creates many challenges as we try to mitigate negative impacts on the learning experience of students. Adequate resources will be important as is the collaborative and consultative approach now being embraced by the province.

We look forward to completing our review of the GSNs and working together on effective strategies for education in Ontario.

To: All Catholic Trustees and Directors of Education

At the recent OCSTA 90th Annual General Meeting, the Association shared with members a video created to celebrate OCSTA's 90th Anniversary and the role of Catholic Trustees. This 7-minute video highlights the history of the Association and the pivotal role of Catholic Trustees in protecting and advancing the interests of publicly funded Catholic education in Ontario.

We would like to extend our sincere appreciation to Ontario's CDSBs for their support of this initiative and the following trustees who kindly shared their time and insight in the creation of this video:

Kathy Burtnik (Niagara CDSB)
Leslie Cassidy-Amadio (Huron-Superior CDSB)
Nancy Crawford (Toronto CDSB)
Patrick J. Daly (Hamilton-Wentworth CDSB)
Beverley Eckensweiler (Bruce-Grey CDSB)
Marino Gazzola (Wellington CDSB)
