HIF101: Exploring Family Studies is a summer school credit course for grade 8 students entering grade 9 at a Waterloo Catholic Secondary School in September 2022.

Learn how individuals relate to others, how to manage resources, and how to become responsible members of society. Explore adolescent development and develop interpersonal, decision making, and practical skills related to daily life. Learn about the diverse ways in which families function in Canada and use research skills to explore topics related to individual and family needs and resources.

Successful completion of this course will earn students a grade nine credit which counts toward their "Group 1" compulsory credits required for graduation.

There is no cost for this course. Please advise if transportation is required.
